Hi Karen -

It was very nice meeting you the other day and I'm glad we had a chance to talk 'on site' as it were.

I'm sending you three emails with a total of 8 more photos taken on 9/28. They show the progressive lifting of the front path, the buckling of the trunk, the listing of the tree and the damage being done on the sidewalk (the city had sanded down one piece of sidewalk in July and already it's lifting out of the ground).

Thank you for your advice and I will see you at the meeting on the 9th.
