THE CITY OF KEY WEST

Post Office Box 1409 Key West, FL 33041-1409 (305) 809-3700

Provision of affidavits to support the existence of a unit is allowed, but cannot be the sole record upon which a decision is based. Provision of documents is the responsibility of the applicant. The city planner's decision shall be rendered to the department of economic opportunity for a determination of consistency with the principals for guiding development.

After review of your application considering these criteria, coupled with a site visit on June 21, 2019, it is my determination that you have established that two units exist on the property. Rental records included with the LUD application show the previously unrecognized unit was rented transiently on or about April 1, 2010, therefore, the unit will be licensed by the city. This is a net change to one transient unit plus one non-transient unit where just one non-transient unit was previously recognized.

In order for your unit to be legally recognized, the Key West Code of Ordinances requires the following additional criteria be met:

- ✓ a. The applicant satisfies the building department that the unit meets the Florida Building Code, through as-built certifications or other means acceptable to the building official; and
- ✓ b. Fees: All back-fee payments shall be paid current and in full, from the date determined to be the established date of the unit. All impact fees shall be paid in full for units determined to have been established after the implementation of the Impact Fee Ordinance (January 1, 1985).
- ✓ c. Occupational license with the city is updated, and street addresses are assigned commensurate with the updated unit count.
- ✓ d. Applications received after May 2, 2017, must demonstrate that the unit sought to be established hereunder is or has been legally permissible under the current or any former zoning requirements of the applicable district in which the unit is located.

✓ In addition, an easement agreement is required to address the encroachment of an existing open porch and a planter on the front of the principle structure and a wood fence with gate running parallel to Catherine Street as shown on the boundary survey report.

Under separate letter, you will receive a calculation of the back-fee payments due. This letter should be sent to you within a maximum of 60 days of the receipt of this correspondence.

While the City of Key West recognizes the unit contingent upon fulfillment of the five additional requirements above, the City Code also mandates that we render our decision to the Department of Economic Opportunity in Tallahassee for a determination of consistency with the Principals for Guiding Development. If the Department makes a finding that this determination is consistent with the Principals, you will have 180 days from the Department's finding to meet the criteria described in a., b., c., and d. above.

Sincerely,

Roy Bishop
Planning Director

Application of Easement

Page 1

Description of requested easement and use

The easement requested is for 66 square feet across the front of the house. This area is part of the original structure as it was built in 1923 and per the 1956 photo showing the open porch. The easement request also includes the existing concrete and brick planter which is tied in to the concrete support of the original porch columns and covers the original 1923 concrete steps up to the porch and protects the front wall of the house. We bought the home in 2002 with the porch already enclosed and the planter in place so we are not sure when the porch was enclosed and the concrete planter added.

Page 2

Existing easements

There are 2 boundary agreements and perpetual easements that were part of the buying agreement. The "Parcel A" easement was for the spa already in place and the surrounding decking and back gate to the property from the alley behind the commercial 1128/1130 Duval Street. "Parcel B" is allowing us access to the alley to our shed, airconditioners and water heater as necessary.

BOUNDARY AGREEMENT AND PERPETUAL EASEMENT

THIS BOUNDARY AGREEMENT AND PERPETUAL EASEMENT made on this 13th day of September, 2002, by JOAN ROBYN BROWN, a married woman, also known as **JOAN ROBYN SPINA**, also known as **JOAN SPINA**, also known as **JOAN BROWN-CESSNA**, also known as **JOAN CESSNA**, whose address is: 7832 Sonoma Springs Circle, Apt. 204, Lake Worth, Florida 33463, hereinafter referred "GRANTOR", and

LEWIS C. HASKELL and SUSAN M. HASKELL, a married couple, whose address is 5859 Lake Kessler court, Indianapolis, Indiana 46226, hereinafter referred to as "GRANTEE".

RECITALS

1. GRANTOR is the owner of two parcels of real property located in Key West, Monroe County, Florida; to wit, single family residence located at 427 Catherine Street, Key West, Florida and mixed use/commercial property located at 1128/1130 Duval Street, Key West, Florida. The legal descriptions for each parcel are as follows:

Street Address: 427 Catherine Street, Key West, Florida

4. According to the survey dated September 9, 2002, performed by Thomas A. Norby, Professional Land Surveyors, Norby and Associates, Inc., Florida Registration #5234, there are certain encroachments impeding the marketability of title to the respective parcels. A copy of the survey is attached hereto and incorporated by reference.
