To Wit: Code Compliance received an anonymous complaint that at this location they are painting the porch, remodeling a bathroom, there is construction debris along with redoing a door. The complainant said this has been going on for a month and are there now. During investigation, Officer Lopez and I did not observe any debris at the hotel, new paint or any new plumbing. Officer Lopez and I did observe the hotels' old door sanded down along with new fencing to the neighboring property. While at the hotel I spoke with the front desk agent Michael and the manager Trent and they informed us the only work done is the front wooden door sanded. I asked Trent about the new fencing I observed, and he informed me it was done after the storm. A permit was not obtained the new fencing done at the Heron House Court.

Corrective Action: Please hire a licensed contractor to apply for and obtain all after the fact permits for the fence.
