

STAFF REPORT

DATE: July 31, 2018

RE: **3029 N. Roosevelt Blvd between #26 and #27**
(permit application # T18-9093)

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

An application was received requesting the removal of **(1) Pigeon Plum tree**. A site inspection was done and documented the following:

Tree Species: Pigeon Plum (*Coccoloba diversifolia*)

07/06/2018

Diameter: 8.5"

Location: 50% (subcanopy tree planted between two structures)

Species: 100% (on protected tree list)

Condition: 50% (fair to poor, poor structure-codominant trunks)

Total Average Value = 66%

Value x Diameter = 5.6 replacement caliper inches

Note: Florida Silver Thatch Palm near Pigeon Plum tree to be transplanted from area. Access to the exterior of the structures is needed for repairs.

Recommendation: Recommend approval of the removal of one (1) Pigeon Plum tree at 3029 N. Roosevelt Blvd between #26 and #27, to be replaced with 5.6 caliper inches of dicot or fruit trees from approved list, FL#1, to be planted on site.

Karen,

Please see attached. I met with Cynthia on-site this morning. I believe she will reach out to you today if she hasn't already. Hopefully this form with the sunbiz showing ICAMCO as registered agent is enough. If I have to, I will meet one of the Board members to have them sign, but not sure if we will be able to get that accomplished until later today or tomorrow.

What about the pigeon plum tree? I need an authorization allowing Matt to represent at the Tree Commission meeting or is Cynthia doing that also? Is she in town?

Sincerely,

Karen

Karen,

Sorry - I hit send accidentally. The plan would be to transfer the palm to another location on the HOA property with Cynthia performing the transfer and picking the location.

Thank you,
Daniel J Garcia

Karen, the tree is on HOA property. Cynthia of Blue Palms is going to handle this one for us. Should I have her fill out the authorization to represent ?

Sorry - internet out now so I am sending this from my phone.

Thank you,
Daniel J Garcia

Daniel:

Matt Graf submitted an application to remove a pigeon plum tree and a Florida silver thatch palm next to his building at #27 Key Cove. When I was doing my staff report and determining what property the tree and palm were actually on I realized it might be on HOA property. Please verify whose property the tree and palm are located. If it is HOA property, then please fill out an application and letter of rep form so that I can process the application. If it is not HOA property, let me know. I need this asap as I am finalizing the agenda tomorrow (Wednesday) for the August Tree Commission meeting.

I have included a copy of my staff report, the application, and other pertinent paperwork. I do not recommend removal of the palm but would be willing to process a transplant permit. Mr. Graf may need help in securing an appropriate person to do the work. Please touch base with him.

The tree appears to be a Pigeon Plum and it is a native, protected tree species. A permit is required to cut it down from the Tree Commission.

Sincerely,

Karen

Subject: Tree between houses

Good morning Karen.

My name is Matt Graf. I live at 3029 N Roosevelt Blvd #27. The tree in question is next to my house on private property.

I have not been able to identify of from online samples.

The roots are growing under the foundation and a limb that was trimmed by the tree trimmers was leaning on house and contributed to some damage.

The Lady at the front desk said I should email you some pics and you could let me know if I can cut it down or do I need a permit.

Thanks for your consideration.

Matt Graf
