"**Claim**" in this Section 13 means any claim, cause of action, demand, lawsuit, dispute, inquiry, audit, notice of violation, proceeding, litigation, citation, summons, subpoena or investigation of any nature, civil, criminal, administrative, regulatory or other, whether at law, in equity, or otherwise.

14. Termination.

14.1. Either Party may terminate this Agreement for a material breach in accordance with this subsection. In such event, the disputing Party shall deliver written notice of its intent to terminate along with a description in reasonable detail of the problems for which the disputing Party is invoking its right to terminate and the specific requirement within this Agreement or any exhibit or schedule hereto that the disputing Party is relying upon. Following such notice, the Parties shall commence dispute resolution procedures in accordance with the dispute resolution procedure pursuant to Section 17.

14.2. CentralSquare shall have the right to terminate this Agreement based on Customer's failure to pay undisputed amounts due under this Agreement more than ninety (90) days after delivery of written notice of non-payment.

15. Effect of Termination or Expiration. On the expiration or earlier termination of this Agreement:

15.1. All rights, licenses, and authorizations granted to Customer hereunder will immediately terminate and Customer shall immediately cease all use of CentralSquare's Confidential Information and the Solutions, and within thirty (30) days deliver to CentralSquare, or at CentralSquare's request destroy and erase CentralSquare's Confidential Information from all systems Customer directly or indirectly controls; and

15.2. All licenses, access or subscription fees, services rendered but unpaid, and any amounts due by Customer to CentralSquare of any kind shall become immediately payable and due no later than thirty (30) days after the date of the termination or expiration, including anything that accrues within those thirty (30) days.

15.3. The provisions set forth in the following sections, and any other right or obligation of the Parties in this Agreement that, by its nature (including but not limited to: Use Restrictions, Confidential Information, Warranty Disclaimers, Indemnifications, & Limitations of Liability), will survive any expiration or termination of this Agreement.

15.4. In the event that Customer terminates this Agreement or cancels any portions of a project (as may be set forth in a Statement of Work) prior to Go Live (which shall be defined as "first use of a Solution or module of a Solution in a production environment, unless otherwise agreed by the Parties in a statement of work"), Customer shall pay for all Professional Services actually performed by CentralSquare on a time and materials basis, regardless of the payment terms in Exhibit 1.

15.5. Return of Customer Data. If Customer requests in writing at least ten (10) days prior to the date of expiration or earlier termination of this Agreement, CentralSquare shall within sixty (60) days following such expiration or termination, deliver to Customer in CentralSquare's standard format the then most recent version of Customer Data maintained by CentralSquare, provided that Customer has at that time paid all Fees then outstanding and any amounts payable after or as a result of such expiration or termination.

15.6. Deconversion. In the event of (i) expiration or earlier termination of this Agreement, or (ii) Customer no longer purchasing certain Solutions (including those indicated to be Third-Party Materials), if Customer requests assistance in the transfer of Customer Data to a different vendor's applications ("Deconversion"), CentralSquare will provide reasonable assistance. CentralSquare and Customer will negotiate in good faith to establish the relative roles and responsibilities of CentralSquare and Customer in effecting Deconversion, as well as the appropriate date for completion. CentralSquare shall be entitled to receive compensation for any additional consultation, services, software, and documentation required for Deconversion on a time and materials basis at CentralSquare's then standard rates.

15.7. Termination of this Agreement shall not relieve either Party of any other obligation incurred one to the other prior to termination.

16. Assignment. Neither this Agreement nor any rights or obligations hereunder shall be assigned or otherwise transferred by either Party without the prior written consent of the other Party, which consent will not be unreasonably withheld; provided however, that in the event of a merger or acquisition of all or substantially all of CentralSquare's assets, CentralSquare may assign this Agreement to an entity ready, willing and able to perform CentralSquare's executory obligations hereunder.

17. Dispute Resolution. Any dispute, controversy or claim arising out of or relating to this Agreement (each, a "Dispute"), including the breach, termination, or validity thereof, shall be resolved as follows:

17.1. **Good Faith Negotiations.** The Parties agree to send written notice to the other Party of any Dispute ("Dispute Notice"). After the other Party receives the Dispute Notice, the Parties agree to undertake good faith negotiations to resolve the Dispute. Each Party shall be responsible for its associated travel and other related costs.

17.2. **Escalation to Mediation.** If the Parties cannot resolve any Dispute through good faith negotiations, the dispute will be escalated to non-binding mediation, with the Parties acting in good faith to select a mediator and establishing the mediation process. The Parties agree the mediator's fees and expenses, and the mediator's costs incidental to the mediation, will be shared equally between the Parties. The Parties shall bear their own fees, expenses, and costs.

17.3. **Confidential Mediation.** The Parties further agree all written or oral offers, promises, conduct, and statements made in the course of the mediation are confidential, privileged, and inadmissible for any purpose in any litigation, arbitration or

other proceeding involving the Parties. However, evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

- 17.4. **Litigation.** If the Parties cannot resolve a Dispute through mediation, then once an impasse is declared by the mediator either Party may pursue litigation in a court of competent jurisdiction.
18. **Waiver/Severability.** The failure of any Party to enforce any of the provisions hereof will not be construed to be a waiver of the right of such Party thereafter to enforce such provisions. If any provision of this Agreement is found to be unenforceable, that provision will be enforced to the maximum extent possible, and the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.
19. **LIABILITY. NOTWITHSTANDING ANY PROVISION WITHIN THIS AGREEMENT TO THE CONTRARY, AND REGARDLESS OF THE NUMBER OF LOSSES, WHETHER IN CONTRACT, EQUITY, STATUTE, TORT, NEGLIGENCE, OR OTHERWISE:**
- 19.1. **NEITHER PARTY SHALL HAVE LIABILITY TO THE OTHER PARTY FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY, LIQUIDATED, OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO, REPLACEMENT COSTS, AND NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR LOSSES OF PROFIT, REVENUE, INCOME, BUSINESS, ANTICIPATED SAVINGS, DATA, AND REPUTATION, AND MORE GENERALLY, ANY LOSSES OF AN ECONOMIC OR FINANCIAL NATURE, REGARDLESS OF WHETHER SUCH LOSSES MAY BE DEEMED AS CONSEQUENTIAL OR ARISING DIRECTLY AND NATURALLY FROM THE INCIDENT GIVING RISE TO THE CLAIM, AND REGARDLESS OF WHETHER SUCH LOSSES ARE FORESEEABLE OR WHETHER EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES; AND**
- 19.2. **CENTRALSQUARE'S TOTAL LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT SHALL NOT EXCEED THE AMOUNT(S) ACTUALLY PAID BY CUSTOMER TO CENTRALSQUARE HEREUNDER FOR THE LAST TWELVE (12) MONTHS PRIOR TO THE DATE THE CLAIM AROSE.**
20. **Insurance.** During the term of this Agreement, CentralSquare shall maintain insurance coverage covering its operations in accordance with Exhibit 4 (Certificate of Insurance (Evidence of Coverage)). Upon request by Customer, CentralSquare shall include Customer as an additional insured on applicable insurance policies provided under this Agreement. CentralSquare shall provide proof of current coverage during the term of this Agreement.
21. **Third-Party Materials.** CentralSquare may, from time to time, include third parties to perform services, provide software, or provide equipment. Customer acknowledges and agrees CentralSquare provides front-line support services for these Third-Party Materials, but these third parties assume all responsibility and liability in connection with the Third-Party Materials. CentralSquare is not authorized to make any representations or warranties that are binding upon the third-party or to engage in any other acts that are binding upon the third-party, except specifically that CentralSquare is authorized to represent third-party fees and to accept payment of such amounts from Customer on behalf of the third-party for as long as such third-party authorizes CentralSquare to do so. As a condition precedent to installing or accessing certain Third-Party Materials, Customer may be required to execute a click-through, shrink-wrap End User License Agreement ("EULA") or similar agreement provided by the Third-Party Materials provider. If mapping information is supplied with the CentralSquare Software, CentralSquare makes no representation or warranty as to the completeness or accuracy of the mapping data provided with the CentralSquare Software. The completeness or accuracy of such data is solely dependent on the information supplied by the Customer or the mapping database vendor to CentralSquare. All third-party materials are provided "as-is" and any representation or warranty concerning them is strictly between Customer and the third-party.
22. **Subcontractors.** CentralSquare may from time to time, in its discretion, engage third parties to perform services on its behalf including but not limited to Professional Services, Support Services, and/or provide software (each, a "Subcontractor"). CentralSquare shall be fully responsible for the acts of all subcontractors to the same extent it is responsible for the acts of its own employees.
23. **Entire Agreement.** This Agreement, and any Exhibits specifically incorporated therein by reference, constitute the entire agreement between the Parties with respect to the subject matter. These documents supersede and merge all previous and contemporaneous proposals of sale, communications, representations, understandings and agreements, whether oral or written, between the Parties with respect to the subject hereof.
24. **Amendment.** Either Party may, at any time during the term, request in writing changes to this agreement. The Parties shall evaluate and, if agreed, implement all such requested changes. No requested changes will be effective unless and until memorialized in either a CentralSquare issued add-on quote signed by Customer, or a written change order or amendment to this Agreement signed by both Parties.
25. **No Third-Party Beneficiaries.** This Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer on any other person any legal or equitable right, benefit, or remedy of any nature under or by reason of this Agreement.
26. **Counterparts.** This Agreement, and any amendments hereto, may be executed in several counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall constitute one and the same instrument. The Agreement (and any amendments) shall be considered properly executed by a Party if executed by that Party and transmitted by facsimile or other electronic means, such as DocuSign, Tagged Image Format Files (TIFF), or Portable Document Format (PDF).

- 27. Material Adverse Change.** If any law, regulation, applicable standard, process, OEM requirement is changed or comes into force after the Effective Date, including but not limited to PCI standards or Americans with Disabilities Act compliance (collectively, a “Material Adverse Change”), which is not explicitly addressed within this Agreement and results in *significant extra* costs for either Party in relation to the performance of this Agreement, both Parties shall promptly meet, discuss in good faith, and agree upon reducing the technical, operational, and/or commercial impact of such Material Adverse Change.
- 28. Cooperative Purchases.** The Parties agree that other entities (“Cooperative Customers”) may use this Agreement as a purchasing vehicle for similar CentralSquare software and services. Terms and conditions specific to each Cooperative Customer’s purchase, including but not limited to pricing, payment terms, and scope of work, shall be negotiated separately between CentralSquare and the Cooperative Customer. A separate contract and any necessary supplemental documents shall be developed independently from this Agreement for each Cooperative Customer, and each such contract shall be fully independent of the others. The original Customer shall not be a party to any agreements made between CentralSquare and Cooperative Customers and will not incur any liability related to specifications, delivery, payment, or any other aspect of purchases made by Cooperative Customers.
- 29. AI Use & Accuracy.** The software provided under this Agreement may include access to artificial intelligence (“AI”) features that generate outputs based on inputs. Customer acknowledges and agrees that:
- 29.1. AI-generated outputs may be inaccurate, incomplete, or inappropriate, and should not be relied on as a sole source of truth or decision making;
 - 29.2. Users are responsible for reviewing and validating any AI-generated content before using it in any context;
 - 29.3. A human-in-the-loop (human is actively involved in reviewing, validating, or making decisions based on the output) approach is strongly recommended, and users agree to exercise appropriate judgment and oversight when using the software;
 - 29.4. CentralSquare makes no warranties or guarantees regarding the accuracy, reliability, or suitability of AI-generated outputs for any particular purpose;
 - 29.5. Use of the AI features is at Customer’s own risk, and Customer agrees not to use the software in any manner that may cause harm or violate applicable laws or regulations.
- 30. Order of Precedence.**
- 30.1. In the event of any conflict or inconsistency between this Agreement, the Exhibits, or any purchase order, then the following priority shall prevail:
 - 30.1.1. The main body of this Agreement and any associated amendments, statements of work (including Exhibit 5 (Statement of Work)), or change orders and then the attached Exhibits to this Agreement in the order in which they appear.
 - 30.2. Customer’s purchase order terms and conditions are not applicable and shall have no force or effect, whether referenced in any document in relation to this Agreement.
 - 30.3. Incorporated Exhibits to this Agreement:
 - Exhibit 1:** Solution(s) and Services Fee Schedule
 - Exhibit 2:** Maintenance & Support
 - Exhibit 3:** CentralSquare Access Management Policy
 - Exhibit 4:** Certificate of Insurance (Evidence of Coverage)
 - Exhibit 5:** Statement of Work

EXHIBIT 2
Maintenance & Support

This Maintenance & Support Exhibit describes support and maintenance relating to technical support that CentralSquare will provide to Customer during the Term of the Agreement.

1. Product Updates and Releases

- 1.1. Software Version. "Software Version" means the base or core version of the Software that contains significant new features and significant fixes and is available to the Customer. Software Versions may occur as the Software architecture changes or as new technologies are developed. The nomenclature used for updates and upgrades consists of major, minor, build, and fix and these correspond to the following digit locations of a release, a,b,c,d. An example of which would be 7.4.1.3, where the 7 refers to the major release, the 4 refers to the minor release, the 1 refers to the build, and the 3 refers to a fix. All Software Versions are provided and included as part of this Agreement.
- 1.2. Updates. From time to time CentralSquare may develop permanent fixes or solutions to known problems or bugs in the Software and incorporate them in a formal "Update" to the Software. If Customer is receiving technical support from CentralSquare on the general release date for an Update, CentralSquare will provide the Customer with the Update and related Documentation at no extra charge. Updates for custom configurations will be agreed upon by the Parties and outlined in a Statement of Work or Change Order.
- 1.3. Releases. Customer shall agree to install and/or use any New or Major Release within one year of being made available by CentralSquare to avoid or mitigate a performance problem, ineligibility for Support and Maintenance Services or infringement claim. All modifications, revisions and updates to the Software shall be furnished by means of new Releases of the Software and shall be accompanied by updates to the Documentation whenever CentralSquare determines, in its sole discretion, that such updates are necessary.

2. Support

- 2.1. CentralSquare shall provide to Customer support via toll-free phone number 833-278-7877 or via the CentralSquare Support Portal. CentralSquare shall provide to Customer, commercially reasonable efforts in solving errors reported by the Customer as well as making available an online support portal. Customer shall provide to CentralSquare reasonably detailed documentation and explanation, together with underlying data, to substantiate errors and to assist CentralSquare in its efforts to diagnose, reproduce and correct the error. Should either Party not be able to locate the error root cause and Customer and CentralSquare agree that on-site services are necessary to diagnose or resolve the problem CentralSquare shall provide a travel estimate and estimated hours in order to diagnose the reported error.
- 2.2. If after traveling onsite to diagnose a reported error and such reported error did not, in fact, exist or was not attributable to a Defect in the Software provided by CentralSquare or an act or omission of CentralSquare, then Customer shall pay for CentralSquare's investigation, travel, and related services in accordance with provided estimate. Customer must provide CentralSquare with such facilities, equipment and support as are reasonably necessary for CentralSquare to perform its obligations under this Exhibit, including remote access in accordance with the Remote Access Policy.

3. Online Support Portal

Online support is available via <https://support.centrsquare.com/s/contact-us>, offering Customer the ability to resolve its own problems with access to CentralSquare's most current information. Customer will need to enter its designated username and password to gain access to the technical support areas on CentralSquare's website. CentralSquare's technical support areas allow Customer to: (i) search an up-to-date knowledge base of technical support information, technical tips, and featured functions; and (ii) access answers to frequently asked questions (FAQ).

4. Exclusions from Technical Support Services

CentralSquare shall have no support obligations to provide Support or Maintenance for Solutions that are not kept current to one version prior to the then current version of the Solution. CentralSquare shall have no support obligations with respect to any third-party hardware or software product not licensed or sold to Customer by CentralSquare ("Nonqualified Product"). Customer shall be solely responsible for the compatibility and functioning of Nonqualified Products with the Software.

5. Customer Responsibilities

In connection with CentralSquare's provision of technical support as described herein, Customer acknowledges that Customer has the responsibility to do each of the following:

- 5.1 Provide hardware, operating system and browser software that meets technical specifications, as well as a fast, stable, high-speed connection and remote connectivity for accessing the Solution.
- 5.2 Maintain any applicable computer system and associated peripheral equipment in good working order in accordance with the manufacturers' specifications, and ensure that any problems reported to CentralSquare are not due to hardware malfunction;
- 5.3 For CentralSquare Solutions that are implemented on Customer Systems, maintain the designated operating system at the latest code revision level reasonably deemed necessary by CentralSquare for proper operation of the Software;
- 5.4 Supply CentralSquare with access to and use of all information and facilities reasonably determined to be necessary by CentralSquare to render the technical support described herein;

- 5.5 Perform any test or procedures reasonably recommended by CentralSquare for the purpose of identifying and/or resolving any problems;
- 5.6 At all times follow routine operator procedures as specified in the Documentation or any error correction guidelines of CentralSquare posted on the CentralSquare website;
- 5.7 Customer shall remain solely responsible at all times for the safeguarding of Customer's proprietary, confidential, and classified information contained within Customer Systems; and
- 5.8 Reasonably ensure that the Customer Systems are isolated and free from viruses and malicious code that could cause harm before requesting or receiving remote support assistance.

6. **Priorities and Support Response Matrix**

The following priority matrix relates to software errors covered by this Agreement. Causes secondary to non-covered causes - such as hardware, network, and third-party products - are not included in this priority matrix and are outside the scope of this Exhibit. CentralSquare will make commercially reasonable efforts to respond to Software incidents for live remote based production systems using the following guidelines:

Priority	Issue Definition	Response Time
Priority 1 – Urgent	The software is completely down and will not launch or function.	Priority 1 issues must be called in via 833-278-7877 and will be immediately answered and managed by the first available representative.
Priority 2 – Critical	A high-impact problem that disrupts the customer's operation but there is capacity to remain productive and maintain necessary operations.	Priority 2 issues must be called in via 833-278-7877 and will be immediately answered and managed by the first available representative.
Priority 3 – Non-Critical	A Software Error related to a user function which does not negatively impact the User from the use of the system. This includes system administrator functions or restriction of user workflow but does not significantly impact their job function.	Non-Critical Priority 3 issues must be reported via https://support.centuralsquare.com/s/contact-us
Priority 4 – Minor	Cosmetic or documentation errors, including Customer technical questions or usability questions.	Minor Priority 4 issues must be reported via https://support.centuralsquare.com/s/contact-us

7. **Exceptions.** CentralSquare shall not be responsible for failure to carry out its Support and Maintenance obligations under this Exhibit if the failure is caused by adverse impact due to:

- 7.1. defectiveness of the Customer's Systems (including but not limited to environment, hardware or ancillary systems), or due to Customer corrupt, incomplete, or inaccurate data reported to the Solution, or documented Defect.
- 7.2. denial of reasonable access to Customer's System or premises preventing CentralSquare from addressing the issue.
- 7.3. material changes made to the usage of the Solution by Customer where CentralSquare has not agreed to such changes in advance and in writing or the modification or alteration, in any way, by Customer or its subcontractors, of communications links necessary to the proper performance of the Solution.
- 7.4. a Force Majeure event (as outlined in Section 12), or the negligence, intentional acts, or omissions of Customer or its agents.

8. **Incident Resolution.** Actual response times and resolutions may vary due to issue complexity and priority. For critical impact level and above, CentralSquare provides a continuous resolution effort until the issue is resolved. CentralSquare will make commercially reasonable efforts to resolve Software incidents for live remote based production systems using the following guidelines:

Priority	Resolution Process	Resolution Time
Priority 1 – Urgent	CentralSquare will provide a procedural or configuration workaround or a code correction that allows the Customer to resume live operations on the production System.	CentralSquare will work continuously to provide the Customer with a solution that allows the Customer to resume live operations on the production system. CentralSquare will either resolve the issue or provide a resolution plan as soon as possible and not later than twenty-four (24) hours after notification.
Priority 2 – Critical	CentralSquare will provide a procedural or configuration workaround or a code correction that allows the Customer to resume normal operations on the production System.	CentralSquare will work continuously to provide the Customer with a solution that allows the Customer to resume normal operations on the production System. CentralSquare will either resolve the issue or provide a resolution plan as soon as possible and not later than thirty-six (36) hours after notification.
Priority 3 – Non – Critical	CentralSquare will provide a procedural or configuration workaround that allows the Customer to resolve the problem.	CentralSquare will work to provide the Customer with a resolution which may include a workaround or code correction within a timeframe that takes into consideration the impact of the issue on the Customer and CentralSquare’s User base. Priority 3 issues have no defined resolution time.
Priority 4 – Minor	If CentralSquare determines that a reported Minor Priority error requires a code correction, such issues will be addressed in a subsequent release when applicable.	CentralSquare will work to provide the Customer with a resolution which may include a workaround or code correction in a future release of the software. Priority 4 issues have no defined resolution time.

9. Cases needing development. Support cases that require code development (e.g. writing, modifying or reviewing source code to create new functionality, resolve issues, or improve existing features) will be transferred to the appropriate product development team. Cases transferred to product development will be reviewed to determine the nature of the request, the severity of the impact on the performance of the solution, and the availability of a resolution. CentralSquare reserves the right to close out Non-Critical (Priority 3) and Minor (Priority 4) support cases, without resolution, for development items that do not reasonably fall within the current product roadmap.
10. **Non-Production Environments.** CentralSquare will make commercially reasonable efforts to provide fixes to non-production environment(s). Non-production environments are not included under the response or resolution tables provided in this Exhibit.
 - 10.1. Maintenance. All non-production environment resolution processes will follow the structure and schedules outlined above for production environments.
 - 10.2. Incidents and service requests. Non-production environment incidents are considered priority 3 or 4, dictated by circumstances and will be prioritized and scheduled subordinate to production environment service requests.
11. **Training.** Outside the scope of training services purchased, if any, Customer is responsible for the training and organization of its staff in the operation of the Software.
12. **Development Work.** Software support and maintenance does not include development work either (i) on software not licensed from CentralSquare or (ii) development work for enhancements or features that are outside the documented functionality of the Software, except such work as may be specifically purchased and outlined in the Agreement. CentralSquare retains all intellectual property rights in development work performed and Customer may request consulting and development work from CentralSquare as a separate billable service.
13. **Technology Life Expectancy.** Customer understands, acknowledges and agrees that the technology upon which the Hardware, Solution and Third-Party Software is based changes rapidly. Customer further acknowledges that CentralSquare will continue to improve the functionality and features of the Solution to improve legal compliance, accuracy, functionality and usability. As a result, CentralSquare does not represent or warrant that the Hardware, Solution and/or Third-Party Software provided to Customer under this Agreement or that the Customer Systems recommended by CentralSquare will function for an indefinite period of time. Rather, CentralSquare and Customer may, from time to time, analyze the functionality of the Hardware, Solution, Third-Party Software and Customer Systems in response to changes to determine whether Customer must upgrade the same. Customer upgrades may include without limitation, the installation of a new Release, additional disk storage and memory, and workstation and/or server upgrades. Customer upgrades may also include the installation and/or removal of Third-Party Software. Customer is solely responsible for all costs associated with future resources and upgrades.

EXHIBIT 3
CentralSquare Access Management Policy

In order to provide secure, federally compliant connections to agency systems CentralSquare Technologies (“CentralSquare”) requires BeyondTrust or SecureLink as the only approved methodology of connection. BeyondTrust and Securelink provide the necessary remote access in order to service and maintain CentralSquare products while adhering to the Federal Bureau of Investigations Criminal Justice Information Services requirements. Both solutions utilize two-factor authentication Federal Information Processing Standard Publication (“FIPS”) 140-2 validated cryptographic modules and AES encryption in 256-bit strengths.

BeyondTrust and Securelink are addressed in turn via this Access Management Policy; Customers may choose which remote privileged access management solution will be utilized by CentralSquare.

BeyondTrust

The BeyondTrust remote support solution may be utilized via escorted session or a jump Customer. As for an escorted session, when an agency needs assistance from CentralSquare, the agency employee requesting assistance will receive verbal or email communication with a session key necessary to enable remote access. If a verbal key is provided, the user enters the session key after visiting <https://securesupport.centalsquare.com>.

Jump Customers are a Windows service that can be stopped/started to facilitate a support session. Connections made via jump Customer can be active or passive. An active jump Customer is always available. A passive connection is enabled for a specific purpose and then disabled when not used. Regardless of the option selected, CentralSquare’s support team will arrange a BeyondTrust session to establish the jump Customer.

The jump Customer resides on the agency side on the installed device, where an agency administrator can manage. Instructions on how to enable/disable jump Customers can be provided upon request. A sample workflow of a passive jump Customer is provided below:

Should an agency require support from CentralSquare, a call would be placed and/or a support ticket opened in the portal on the CentralSquare customer support website. Before accessing the agency’s system and/or environment, the CentralSquare representative would send a notice of connection from the CentralSquare support portal instance. This notice can be sent to the individual at the agency that the CentralSquare representative is working with or other designated contacts as necessary. Upon receipt of the notice of connection, the agency personnel would enable the BeyondTrust jump Customer. The CentralSquare representative would then be admitted to the agency’s system and/or environment to perform the necessary task. Upon completion of the task, the CentralSquare representative sends a notice of disconnection from the CentralSquare support portal instance. Upon receipt of the notice of disconnection, the agency personnel would then disable the BeyondTrust jump Customer.

Securelink

Similar to BeyondTrust’s escorted session, Securelink may be utilized via “quick connect”. To enable a quick connect session when an agency needs assistance from CentralSquare, the Agency employee requesting assistance will enter a key code in order to connect for screen sharing on a device.

Similar to the jump Customer methodology, SecureLink may also be utilized via “gatekeeper”. The sample workflow description for a jump Customer provided above is substantially similar to the workflow for gatekeeper.

Summation

BeyondTrust and Securelink allow customers the ability to monitor connectivity to the customer’s network and maintain CJIS compliance while enabling CentralSquare to perform the necessary support functions.

The following applies to any cloud-hosted CentralSquare software only. The following does not apply to any on-premise software, hardware, or third-party products.

1. Service Level Commitments

- A. **Availability.** During any calendar month, the availability of the Solution shall be no less than 99.9%, excluding scheduled maintenance. CentralSquare shall provide Customer with prompt notification as soon as it becomes aware of any actual or potential unscheduled downtime of the Solution, as well as continual periodic updates during the unscheduled downtime regarding CentralSquare's progress in remedying the unavailability and estimated time at which the Solution shall be available.
- B. **Measurement.** Service availability is measured as the total time that the solutions are available during each calendar month for access by Customer ("Service Availability"). Service Availability measurement shall be applied to the production environment only, and the points of measurement for all monitoring shall be the servers and the internet connections at CentralSquare's hosted environment.
- C. **Calculation.** Service availability for a given month shall be calculated using the following calculation:
 - I. The total number of minutes which the service was not available in a given month shall be subtracted from the total number of minutes available in the given month. The resulting figure is divided by the total number of minutes available in the given month.
 - II. Service availability targets are subject to change due to the variance of the number of days in a month.
 - III. The total number of minutes which the service was not available in a given month shall exclude minutes associated with scheduled or emergency maintenance.
- D. **Remedy.** If the service period target measurement is not met, then the customer shall be entitled to a credit calculated as follows:

Service Availability in the relevant Service Period	Percentage Reduction in Monthly Fee for the Subsequent Service Period
Less than 99.9% but greater than or equal to 99.0%	5%
Less than 99.0% but greater than or equal to 95.0%	10%
Less than 95%	20%

- E. Credit must be requested by the customer within sixty (60) days of the failed target. Any credit awarded shall be applied to the next applicable invoice. Customer shall not be eligible for credits where customer is more than thirty (30) days past due on their account.

 4. Releases. Customer agrees keep the software up-to-date with the cloud release cycle as determined by centralsquare.
