RE: Concept Paper for Traffic Safety Grant Funding for Not One More : Police Traffic Services Enforcement Campaign

Dear Chief Lee:

Florida's Highway Safety Plan has been submitted for approval by the National Highway Traffic Safety Administration (NHTSA). Key West Police Department has been selected to receive grant funding in the FY2013-2014 Highway Safety Plan, which begins October 1, 2013. Within the next 60 days, your assigned Traffic Safety Planner will contact you to discuss objectives, funding availability and required documentation for award. Grant awards may be less than or equal to the amount requested in your concept paper, based on funding levels awarded to the State of Florida for FY2014.

We look forward to working with you on this project. If you have any questions, please call at (850) 414-3100.

Sincerely,

Kenneth L. Ellis  
Traffic Safety Administrator
