(b) Any person not possessing a current certificate of competency and holding himself out as plaintiff or defendant in any court of this state or advertising in a newspaper or otherwise to be a contractor shall be subject to the provisions and penalties of this article, and a certified copy of such court records or a copy of the newspaper or other advertising making such an assertion shall be prima facie evidence in court or in any other proceeding authorized by this article that the person purported to have the capacity to act as a contractor.
