Key West, Florida 33040

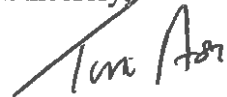

Dear Captain Smith,

Please accept this letter on behalf of Christina's Courage Advocacy Center as a request for a generous donation of \$2,500.00 to repair now our defunct air conditioning system.

As one of our valued partners, you are aware that Christina's Courage continues as a non-profit whose mission is to support survivors of sexual assault in the Florida Keys. Through your continued support, Christina's Courage is able to provide a safe and confidential place to have an examination performed by a trained Sexual Assault Nurse Examiner (SANE). We look forward to continuing to provide these valuable services to our community and working together with you on our mutual goal of crime prevention and supporting victims and survivors.

Again, thank you for your consideration and please do not hesitate to contact me should you need any further information.

Sincerely,

A handwritten signature in black ink that reads "Tim Age". The signature is written in a cursive style with a long horizontal stroke extending to the left.

Major Tim Age

President, Christina's Courage
