Thank You

If you send this to the city clerks office it will be read at the meeting.

Thank You

Billy

Dear Commissioner Wardlow:

We are unable to attend next Wednesday's, October 2nd meeting of the Key West City Commission, but we write in support of your resolution as residents of the Key West Golf Club: "...no homeless facility of any kind be constructed on the Easter Seals property on College Road, since the land can be better utilized for the animal shelter, mosquito control and potential location of an assisted living facility."

While we believe that countywide and even statewide solutions to the homeless situation in Key West must be explored since the homeless in Key West are truly a county and state problem as well, use of Easter Seals property on College Road is not in the best interest either of residents or the homeless themselves.

Thank you for your proposal and support.

Best regards,

Ed Stieve / Otto Paier
