**of the Keys**

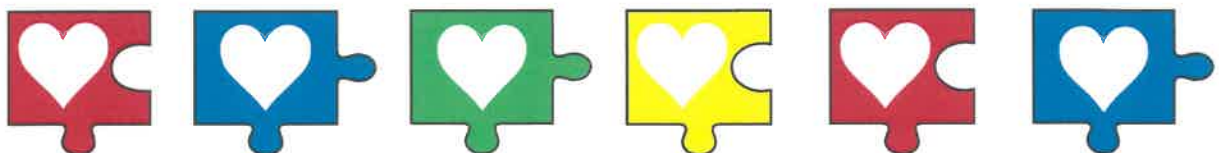

Dear Friend of Autism,

We are writing on behalf of our Autism Society of the Keys. Autism Society of the Keys (ASK) is a 501(c)(3) non-profit organization dedicated to helping families affected by autism in the Florida Keys. ASK believes that early intervention is crucial in helping children with autism succeed. ASK provides support and guidance to local families by providing counseling, educational materials including crime prevention and drug abuse, awareness seminars, as well as granting support for helpful therapy and treatment for children on the autism spectrum. Autism is the greatest health epidemic in the world today; with 1 in every 50 children being diagnosed. Children with autism need help now, early intervention and treatment is critical for recovery!

**YOU CAN HELP!**

**There are over 1,000 children and adults  
effected by autism living in the Florida Keys**
