Dear Mr. Bouquet:

CDM Smith respectfully requests that the City of Key West grant us the two-year contract renewal pursuant to Article 4 of our Agreement with the City dated November 13, 2012 and adopted under Resolution No.12-280.

With this request, I have attached a current "Exhibit A", updated per the provisions of Paragraph 5.1.2.3 of the Agreement and a current Certificate of Insurance. Our research of the BLS shows the employment cost index for Management, Professional and related as of December 2012 at 118.0 and the same index at December 2014 at 123.2 which results in an increase of $123.2/118.0 = 1.044$ or 4.4 percent.

Subject: Agreement for General Engineering Services with the City of Key West, RFQ No.12-005 / Resolution No. 12-280 - Request for Hourly Rate Schedule Update

Dear Mr. Bouquet,

The purpose of this letter is to submit a request to update the current Hourly Rate Schedule (Exhibit A of the Agreement), which have been in effect since contract inception on November 14, 2012. Per Article 5.1.2.3, the Hourly Rate Schedule may be adjusted annually based on the Data Resource Institute (DRI) forecast of wage and price escalation (the U.S. Bureau of Labor and Statistics (BLS) employment Cost Index (ECI) for Private Industry).

The requested increase is based on the quarterly ECI compiled by the Bureau of Labor Statistics, for the periods of December 2012 to December 2013 and December 2013 to December 2014 as indicated below:

- December 2012 to December 2013: ECI factor $119.6/117.3 = 1.02$
- December 2013 to December 2014: ECI factor $122.4/119.6 = 1.02$
- The overall ECI factor is 1.04.

The proposed Hourly Rate Schedules for Black & Veatch and Sub-consultants listing the adjusted rates are attached to this letter.

We welcome the opportunity to discuss the details of our request and invite you to contact us at (954) 465-6872. Thank you for your time and consideration; we look forward to continue to support the City on this important contract.
