- **Atlantic Blvd** Including Shared-use path. Design 2026 / Construction 2027
- **Caroline St (TIF)** Bicycle infrastructure awaiting construction phase.
- **Wickers** 60% design. Limited funding allocation.

Collision Data Presented by Signal Four Analytics

s4.geoplan.ufl.edu

This dashboard and analytics system receives data from Florida's statutory custodian of records, the Florida Department of Highway Safety and Motor Vehicles (FLHSMV). Every effort is made to ensure that all data, information, and results posted on this website are accurate and complete. However, all data is considered preliminary until the year is reconciled and closed out by the FLHSMV, and thus certain adjustments may be made to verify the data where clerical errors are noted. For further inquiries on Florida traffic crash and citation reports along with additional statistics please visit: <https://www.flhsmv.gov/resources/crash-citation-reports/>

October Sustainable Transportation Update

- **Safe Streets and Roads for All (SS4A) grants**

- The Key West Safety Action Plan will be completed by early 2026
 - Promoting the safety issue map
<https://ufl.maps.arcgis.com/apps/webappviewer/index.html?id=4af89680a42540589e99e120451c4bd8>
 - E-bike survey results from 11 Task Force members ranked 13 initiatives on a scale of 1 to 5
 - 4.6 – Improve sidewalk infrastructure
 - 4.3 – Traffic gardens
 - 4.3 – Ban class 2 (throttle only) and class 3 (29 MPH) e-bikes on all sidewalks
 - 4.1 – Age limits on e-bike usage
 - 4.0 – Educate the community about e-bike safety
- Florida law went into effect on July 1, 2025
 - Working with Multimodal Transportation Coordinator on a Letter to the Commission
 - E-bike amendment to Senate Bill 462 allows Key West to do e-bike enforcement on sidewalks along N Roosevelt Blvd
 - SB 462 permits local jurisdictions to require anyone who rides a bike to carry a photo ID and set an age registration
- Partnering with City of Marathon and Village of Islamorada on SS4A
- Preparing to apply for FDOT's Transportation Alternative funding, which is due December 4, 2025

- **Transit**

- Researching short- and long-term innovative transit funding ideas
 - Applied for USDOT's Innovative Finance and Asset Concession (IFAC) Program grant
 - Requesting approval to purchase Via's Remix software, which will help with transit planning and scheduling
- Verifying bus stops in the field using the Automated Transit Stop Inventory Management (ATSIM) system

- **Exemplary E-Bike Program**

- Plan to work with Multimodal Transportation Coordinator to discuss with local bike rental companies about launching a bikeshare program
- Plan to purchase bus bike racks compatible with beach cruisers and e-bikes
- Delivered Green Commute Challenge plaque to Village of Islamorada
