Dear Ms. Andrews:

This letter is to notify you that the Key West Historic Architectural Review Commission unanimously **approved** the above mentioned project on the public hearing held on Wednesday, March 28, 2012. The Commissioners motioned to approve the project based on the submitted documentation and your presentation.

Since murals in the historic district need City Commission approval this project needs to be scheduled on the next available agenda. Should you have any questions, please do not hesitate to contact me at your convenience.

On behalf of the Historic Architectural Review Commission of our City, thank you for your interest in the preservation of Key West's historic heritage.

Sincerely:
