Ref : Transfer of KW MVL # 12771

Dear City Manager Bob Vitas & Commissioners of Key West,

My name is Lary Budnick and I have owned my

**KW Mobile Vendors License Owner #12771** since 1981-82.

Previous to the 1986 Non Transfer Rules.

I have enjoyed this honor for many memorable years but feel that under the circumstances of Financial Hardship I truly need to Transfer it now.

Since the economy collapsed in 2009 and i have gotten into debt, I have recently been in danger of losing my home in Hollywood , FL. Additionally with a daughter in Med school it has depleted any retirement funds.

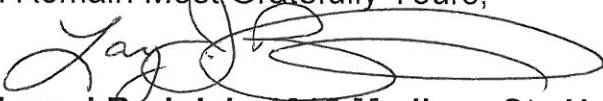

Part of my desire has been to find a legitimate business owner within the Community that would utilize the License properly & correctly. Captain Kelly Nelson will be a good fit.

I respectfully Honor you & Request that you Approve the Transfer of my License to **Mr Kelly Nelson. 416 Fleming St, Key West, FL 33040**

Please feel free to call for any concerns anytime 954-347-6747.

God Bless You & The Great City of Key West, & Our Nation

I Remain Most Gratefully Yours,

**Lary J Budnick, 1316 Madison St , Hollywood, FL 33019, Owner Lic #12771**
