## REPORTING OFFICER NARRATIVE

Key West Police Department

		OCA 23-002476
Victim <i>Society</i>	Offense <i>RESIST ARREST / ESCAPE</i>	Date / Time Reported <i>Thu 04/27/23 08:18</i>

On 04.27.23 at around 0815 hours, I Sgt Carter Sims, was driving outbound on n Roosevelt Blvd (NRB), making a right hand turn onto 1st St. As I approached the intersection, I looked outbound (OB) on NRB and saw a car stopped in the inside lane.

Initially I thought the car had stopped to let another car turn into the Orion Gas Station. However, something did not feel right so I turned around to go check it out. When I got back out to NRB, I could see the same car (blue in color) partially across both of the OB lanes. It appeared as if the car was trying to do a U-turn and pull into the parking lot of Sunshine Scooters. If it were to finish the turn, it would have had to drive over the curb. The car backed up and drove OB on NRB. The car was driving at about 5MPH with a posted speed of 35MPH.

I could see the car was a blue Ford Focus bearing Florida tag #545QZV and it was being driven by a white male. I activated my lights to initiate a traffic stop. The car continued to drive slowly OB on NRB but failed to pull over, traveling in and out of the inside lane. I activated the siren intermittently and the car made a right turn from the inside lane into the parking lot of the Owens Gas Station, 2106 NRB. The male driving the car drove in between the building and the closest set of gas pumps, then made a wide right hand turn and stopped next to the same set of pumps but was facing me. He stopped the car, so I went ahead and got out of mine and started to approach the driver.

I could see the driver was putting the car in park and turning the car off. The driver's side window was partially open, maybe 3 to 4 inches. Several times I asked for the driver to roll the window down and provide me with his driver's license. The driver had a wild eyed blank stare about him, as if he was looking past me. The driver had a black ball cap on with white lettering, a purple t shirt w lines on it, khaki shorts, black shoes, and had a full beard. The driver looked as if he was Hispanic, so I asked him in Spanish, *Donde esta tu licencia?* (Where is your license). I was met with the same blank stare. As this stop evolved, the driver kept rubbing his fingertip together and picking at his skin about his body. My first thought was that he is on drugs. Then, much to my chagrin, he started to put one of his hands down his shorts. This continued with him unzipping his pants and begin to take his penis out. He did not get his penis all the way out of his pants, thankfully.

I asked him several times in English to roll the window down, as I do not know how to translate that into Spanish. All I could hear him say was electrical. I do not know if the car had an electrical malfunction, and the window would not roll down.

This was followed by him picking up his left hand and flicking it at me, as if he was telling me to go away. We went back and forth with this. During this time I had been updating dispatch with the situation and knew backup units were enroute, with one of them being a Spanish speaker.

He tried to open the door and I initially stopped him. However, I let him open it, hoping it would make communication easier. It did not and he still refused to provide me with a driver's license or speak with me.

Ofc Jesse Young was the first officer to arrive. I was standing at the driver's side door but closer to the rear, so Ofc J Young came around to my left side. This put him in between me and the actual driver's door. We were trying to talk the driver out of the car, and he would not communicate with us. We were met with a blank stare.

The driver began to regress into the car, drawing his right hand toward his right side and back, concealing it from our view. His left arm was bent a little bit but still out in front of his body. At the same time, Ofc J Young and I moved forward, me grabbing the left forearm and hand and he going for the right arm. During this time we had given the male several lawful commands not to do so and to get out of the car. Now, Ofc. Mike Andruzzi pulled up to the scene.

The male continued to pull back and resist both of our efforts. We were eventually able to drag him out of the car and redirect him to the ground in a controlled manner using an arm drag takedown. As the driver came out of the car, Ofc M Andruzzi came over and grabbed the upper torso/back of the male, and we all went to the ground. On the ground the male kicked his legs about until Ofc J Young was able to control them (he did not kick or hurt us), I maintained control of the left hand/arm, and Ofc M Andruzzi kept pressure on the back of the right shoulder. We

**REPORTING OFFICER NARRATIVE**

Key West Police Department

Victim <i>Society</i>	Offense <i>RESIST ARREST / ESCAPE</i>	OCA <i>23-002476</i> Date / Time Reported <i>Thu 04/27/23 08:18</i>
--------------------------	--	--

were able to get the male over onto his stomach and put in handcuffs. The handcuffs were later adjusted and double locked.

According to G.O. 02.08- Response to Resistance- Resistance levels- the male displayed Active resistance: a person makes physically evasive movements to defeat an officers attempts at control. We responded at Physical control- Takedowns: techniques that redirect, in a controlled manner, a person to the ground to limit his physical resistance and to apply an appropriate restraint device.

The male would not speak to us. We were not able to locate any form of identification on him or in the car. Ofc Jeremy Tellier and Ofc Drew Litton arrived on scene. Ofc D Litton searched the car and could not find anything that identified the male.

Using LEO resources and making phone calls, we were able to find a relative that knew the male. I do not have the relative's reporting information or know who spoke with them. The driver was identified as Herminio Camejo 10.25.83, out of Florida with e valid Class A CDL.

Not knowing if Camejo was having a medical episode or on some sort of intoxicant, I asked dispatch to send KWFR to evaluate him. He was evaluated on scene and had 'normal' vitals.

He was placed into Ofc D Litton's patrol car by Ofc V Arguello and I (Spanish speaker). Ofc D Litton and Ofc V Arguello toke Camejo to MCDC where he was refused by medical staff. After this he was taken to the ER for clearance. Camejo was soon returned to jail. Camejo would not communicate with Ofc V Arguello in Spanish. Ofc. J Tellier turned the car over to a family member of Camejo who responded to the scene.

The defendant, Herminio Camejo 10.25.83, did knowingly and intentionally resist my, Sgt. C Sims, efforts to identify him on traffic stop (failed to produce a license on request), he failed to get out of the car when instructed to do so by Ofc J Young and I, and he continued to roll around on the ground and put his hands behind his back.

When I exited my car, I made sure to power on my BWC. Then I tapped the center button to activate it. However, this did not take place. There is limited information on Camejo as he did not speak with us.

On Thursday, April 27, 2023, at approximately 0820 hours, I, Officer Jesse Young, responded to Owens Gas Station (2106 N. Roosevelt Blvd.) as a back up unit for Sgt. C. Sims, reference to a traffic stop.

While enroute, I heard Sgt. Sims air over Key West Communications Chanel #1 that the driver was non complaint and exposed his penis to him. The driver was later identified as Hermino Camejo, who was later identified through D.A.V.I.D. By the nature of the odd behavior exhibited by the Camejo, I expedited my response and arrived within a minute.

As I pulled into the parking lot, I observed a Blue, Ford Focus bearing Florida tag # 545QZV, facing East in between the fuel pumps, with the driver side door open. I saw Sgt. Sims standing in the open door jamb attempting to speak with Camejo. Camejo was non-responsive and non-compliant. I suggested to Sgt. Sims with the odd behavior exhibited by Camejo we detain him. Sgt. Sims agreed.

Sgt. Sims and I verbally told Camejo to exit the vehicle, along with hand gestures. Camejo started scooting back towards the center console, placing his right hand behind his back and out of view. By my view point, I believed that Camejo was attempting to reach into the center console for something. I entered the car through the open door and attempted to physically grab Camejo. Camejo was sweaty and slick to the touch. I was able to grasp Camejo's right wrist and gain control of his arm. Sgt. Sims and I removed Camejo from the vehicle and we placed Camejo onto the ground.

Camejo physically resisted as he was told to stop resisting and place his hands behind his back. Camejo did not follow directions and continued to resist. Camejo made every attempt to tuck his legs underneath his body in an attempt to prevent himself from being handcuffed.

Officer Andruzzi arrived and took control of Camejo's upper torso as I moved towards Camejo's legs to straighten them out so Camejo could be handcuffed. Camejo was secured into handcuffs.

Camejo received treatment by Key West Fire / Rescue on scene.

After Camejo was checked by Key West Fire / Rescue and in custody, we discovered Camejo may possibly have a Traumatic Brain Injury (T.B.I.). Camejo's Florida Driver's License was able to be located through D.A.V.I.D. and other law enforcement resources. This revealed Camejo possessed a valid Class A CDL, Florida Driver's License. I determined Camejo will be recommended for a medical driver's re-exam, regarding his driving privileges.

During Camejo's resistance, the right knee of my motor breeches were damaged during the takedown. This damage

I, Officer Andruzzi, was dispatched to a crash. While en route to the crash I monitored Key West Radio Comm 1 and heard Sgt. Sims attempting to conduct a traffic stop on North Roosevelt Blvd. I heard Sgt. Sims tell Comm 1 that the driver had stopped at Owens Gas Station and was acting suspicious by attempting to wave off Sgt. Sims. Sgt. Sims then notified dispatch that the driver had taken out his penis and was exposing it at the gas station. Sgt. Sims asked for another unit and I headed in his direction. A moment later I heard Officer Young state he had arrived to assist Sgt. Sims.

As I pulled into the Owens Gas Station lot I observed Officer Young and Sgt. Sims speaking to the driver while the driver side door was open and the driver was seated in the driver seat. I exited my vehicle as Sgt. Sims and Officer Young were attempting to pull the driver from the driver seat.

I assisted both officers in extracting the driver from the vehicle and pulled him to the ground. I assisted Sgt. Sims in gaining control of the driver and handcuffing him.

After the driver was secure and other units arrived I left the location and headed to the crash scene of a call I was dispatched.
