

COMMENDATION

It is with great pride that the City of Key West shall honor Jordan Pfof as the winner of the Key West High School Academic Excellence Award. Jordan is a multi-talented student who moved to Key West less than a year ago and quickly adjusted to the rigors of high school. She maintains a 4.4 weighted GPA in a most rigid academic schedule and she still finds time to participate in extra-curricular activities. Jordan is a member of the National Honor Society, Mu Alpha Theta Math Society and the Key West High School Wakeboard Team. She enjoys photography and art and she recently won 2nd place for her T-shirt design for the Police Athletic League. As a student in the TV Production class at KWHS she has been working with visual effects and visual animation and last month she traveled with class members to compete at the National Student Television Network Competition in Orlando. Jordan enjoys helping others and challenging herself with academics and new endeavors. She hopes to attend the University of Central Florida to pursue a degree in either Engineering or Video Animation. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
Commendation to:

JORDAN PFOST
