Re: Doug Helisen  
1221 Laird Street  
Key West, FL 33040

Please be advised that my wife Carol and I have been longtime (over thirty years) neighbors of the Helisen's who have proved to be of great value to the neighborhood, and to us personally through hurricanes, family sickness, summer robberies of our house and many other forms of kindness over that same period.

We have been aware of the Helisen's challenges with code enforcement concerning set back issues with a previously approved permit for their second story walkway. In short, severe problems resulted from Hurricane Wilma, economic ups and downs, insurance companies stalling, and life threatening medical issues superseding remembering to renew the expired permit.

Please allow this correspondence to serve as a formal request to grant the Helisen family a variance in light of all that has transpired in their simple plan to improve and finish their already in place walkway.

Thank you,

  
Jeffrey P. Burnham
