

**Florida Department of Transportation, District Six
Roadway Project
State Road (S.R.) 5/North Roosevelt Boulevard from
Eisenhower Drive/Jose Marti Drive to U.S. 1/Overseas Highway
Project Identification Number: 250548-3-52-01**

PROJECT LIMITS

State Road (S.R.) 5/North Roosevelt Boulevard from Eisenhower Drive/Jose Marti Drive to U.S. 1/Overseas Highway.

PROJECT DATES

Construction is expected to start in November 2011 and last about 800 days.

ESTIMATED PROJECT COST

\$24,100,000

POSSIBLE IMPACTS DURING CONSTRUCTION

- Temporary sidewalk closures
- Temporary lane closures during non-rush hours
- Temporary traffic shifts

Driveways and entrances to businesses and homes will stay open at all times.

MAINTENANCE OF TRAFFIC

Work will be done in phases to reduce impacts to drivers, local residents and businesses. Temporary sidewalk closures, lane closures during non-rush hours and traffic shifts are expected during the construction phase of this project.

INVITATION TO A PUBLIC MEETING

The Florida Department of Transportation (FDOT) District Six is developing the design to rebuild State Road (S.R.) 5/North Roosevelt Boulevard from Eisenhower Drive/Jose Marti Drive to U.S. 1/Overseas Highway in Monroe County. The work also includes repaving the road from south of the intersection with U.S. 1/Overseas Highway to the Riviera Canal Bridge and from Bertha Street to the east end of Smather's Beach along the South Roosevelt Boulevard segment. The city of Key West is requesting some parcel owners to grant the easements needed for FDOT to build a new sidewalk on the land side of North Roosevelt Boulevard as part of this project. The scope of work also includes:

- Rebuilding the seawall along the north side of North Roosevelt Boulevard within the project limits
- Rebuilding the road to create two northbound and two southbound lanes with a center turn-lane
- Rebuilding the sidewalk, curb and gutter along the south side of North Roosevelt Boulevard within the project limits
- Installing a new drainage system
- Improving the drainage outlets at Cow Key Channel and Riviera Canal
- Replacing traffic signals with mast arms traffic signals
- Installing new signs and pavement markings
- Installing a new lighting system
- Planting new Coconut Palm trees and relocating existing ones

In order to offer you the opportunity to review the project design and answer your questions, **we invite you to join us:**

Time: 1 p.m. to 3 p.m.
Date: Wednesday, July 21, 2010
Place: Old City Hall
510 Greene Street
Key West, FL 33040

The meeting will follow an informal format that allows the public to arrive at any time from 1 p.m. to 3 p.m. Graphic displays will be shown at this meeting, and FDOT representatives will be available to discuss the project and answer questions. Your participation is encouraged and will give us the opportunity to listen to your comments and address any concern that you may have.

Public participation at this meeting is solicited without regard to race, color, national origin, age, gender, religion, disability or family status. Persons who require special accommodations under the American with Disabilities Act of 1990 or persons who require translation services (free of charge) should contact, at least seven days prior to the meeting, Brian Rick at 305-470-5349 or in writing at FDOT 1000 NW 111 Avenue, Miami, FL 33172 or by email at: brian.rick@dot.state.fl.us

PUBLIC INFORMATION: If you have any questions or comments about this advisory, please contact Public Information Specialist Marta Rodriguez at 305-470-5873 or by e-mail at: marta.rodriguez@dot.state.fl.us
