I object to 512

Catherine Street. There are
no valid reasons for not
wanting transient at above
address.

515 Louisa Street is
next door to my home at
509 Louisa Street.

512 is in the rear of
my property.

Reasons for objection
are as follows. Worst
transient rental around
our neighborhood in my opinion.

Notes

Problem yes, loud music blasted without any concern to neighbors.

Half car parked in my driveway.

Problem, yes. Blocking my car.

Yellow lines painted in front of my driveway. Total disregard.

Problem, yes. I had to call property management at this #: 305-294-7358. Sorry, we can't

help you, no one answering their phones. That is their paying guests in 515 Louisiana.

Notes

Called KW Police. Guests
carried laughing & finally
moved the Golf cart to
complete parking at 515 Louis. This
occurred about 2 weeks, a week & a
half ago.

Problem eye. Last Thursday.
Well Friday ^{16, 2021} in the atk a fight
erupted at 515 Louis Street.
Guests look to the street to
fight of terrible, horrible screaming
in the street from men & women.

Problem, eye. So we don't
need this also at 512 Catherine

Notes

I must end with my health issue. I am under doctor's care. I cannot be getting upset because I have two stents in my heart as of March 19, 2021.

I don't need to be getting upset over 515 tenants' guests, that park where they want to & brawl when they want to.

Again, Respectfully,
