CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Please attach this notice to the Agenda that we as property owner's are NOT in agreement, and it would be shameful to see the Keys going further downhill and opening of floodgates to ships, cruises and folks that do not respect what we have, or our waters, piers, livelihood. Please stand up for the taxpayers!!!

WITHDRAW this [proposed new agreement with Pier B Development Corporation](#)
