Your request has been entered into the record. The Planning Board will make that determination to hear the item.

Hi, Brendon—

We spoke at the last Planning Board meeting.

The agenda item effecting my property was tabled, and I am out of town on business during the next meeting.

I respectfully request removal of the agenda item for placement on a future meeting date.

Thus far our neighbors at 2501 Fogarty—requesting after-the-fact variances for a variety of violations—have not engaged in any effort to resolve the issue, nor have they replied to our proposed resolution.

Warm Regards,

Robin Smith-Martin
