

Total Solutions for Law Enforcement, Security, Facilities Management, Fire, Rescue, Clothing, Marine Craft and Emergency/Disaster Response - Schedule 84

Whether it is protecting our shorelines, patrolling our harbors, ports, and federally controlled lakes and rivers, or oil-spill containment, this Schedule has all types of marine craft, equipment and services to meet your needs. This schedule can provide equipment and services for personal, vehicular, or facility applications for all of your law enforcement protection, prevention, apprehension, or investigation needs.

Items on this Schedule can help you extinguish fires, manage controlled burns, and provide personal respiratory protection. Additionally, products are included for search and rescue, both to assist your entry into buildings or vehicles, and to safely evacuate personnel.

Check out our process monitoring, hazard alarms, audible/visual alarms, anti-theft alarms, patient wandering systems and fire alarm systems. GSA has facility management systems for security and energy management functions. Services such as professional security, facility management and guard services are also located in this Schedule.

To protect one's self from the elements, fire, biochemical exposure, accidental immersion, or other hazardous materials, see what is available in Schedule 84. Uniforms, safety shoes, and boots of all types are available as well.

GSA's offerings include:

[Marine Craft & Equipment](#)

84 TOTAL SOLUTIONS FOR LAW ENFORCEMENT, SECURITY, FACILITIES MANAGEMENT, FIRE, RESCUE, CLOTHING, MARINE CRAFT AND EMERGENCY/DISASTER RESPONSE - The Local Preparedness Acquisition Act, signed June 26, 2008, authorizes state and local governments to purchase from GSA alarm and signal systems, facility management systems, firefighting and rescue equipment, law enforcement and security equipment, marine craft and related equipment, special purpose clothing, and related services.

[260 10](#) Marine Craft Electronics Bridge and/or Other Marine-specific Electronic Equipment and Marine Craft Safety Equipment (other than Personal Flotation Devices) - Includes all types of electronic-type equipment used specifically in or on Marine Craft such as: position finders, specialized marine radios, specialized marine computer hardware, monitors, beacons, electronic sounding equipment and all types of marine craft safety equipment. [260 1000](#) Marine Craft - Ancillary Supplies and/or Services - Ancillary supplies and/or services are support supplies and/or services which are not within the scope of any other SIN on this schedule. These supplies and/or services are necessary to compliment a contractor's offerings to provide a solution to a customer requirement. This SIN may be used for orders and blanket purchase agreements that involve work or a project that is solely associated with the supplies and/or services purchased under this schedule. This SIN EXCLUDES purchases that are exclusively

for supplies and/or services already available under another schedule.

Special Instructions: The work performed under this SIN shall be associated with existing SIN(s) that are part of this schedule. Ancillary supplies and/or services shall not be the primary purpose of the work ordered, but be an integral part of the total solution offered. Ancillary supplies and/or services may only be ordered in conjunction with or in support of supplies or services purchased under another SIN(s) of the same schedule. Offerors may be required to provide additional information to support a determination that their proposed ancillary supplies and/or services are commercially offered in support of one or more SIN(s) under this schedule. [260 11](#) Marine Craft Trailers and Trailer Accessories/Spare Parts - Includes all types of marine craft trailers, trailer equipment and supplies.
