On 08/31/2024, at approximately 0103 hours, I Officer Thornbrugh was dispatched to Sloppy Joe's in reference to a fight.

Upon arrival I met with a male who I later identified as Jody Freeman and his girlfriend Sasha Fadlon. While speaking with the couple, Ms. Fadlon started to walk towards the other party involved in the altercation. I gave Ms. Fadlon verbal orders to stop, Ms. Fadlon ignored my orders and continued to walk away, looking for her glasses that were already in her hand. I approached Ms. Fadlon and informed her, she was not free to leave. Ms. Fadlon turned around and approached me waving her arms around in my face, and stated, "I'm doing what the police are supposed to do," Mr. Freeman informed Ms. Fadlon to stop, Ms. Fadlon pushed Mr. Freeman away, stating, "fuck off," and then bumped into pedestrian on the sidewalk. On Saturday 08/31/2024 at approximately 0100 hours, I (Ofc. Vanderhoof) arrived at the Green St. side of Sloppy Joes to assist Ofc. Thornbrugh with a possible physical disturbance.

While assisting Ofc. Thornbrugh on a call I noticed he was attempting to handcuff a female and she was resisting. I went over to assist. The female was not being compliant and continued to pull her arms away in attempt to refuse being handcuffed.

Ofc. Thornbrugh and I were eventually able to restrain her and walked her to Ofc. Thornbrugh's patrol vehicle. The entire way to the patrol vehicle the female resisted and attempted to pull away and refused to walk.

While walking the female to Ofc. Thornbrugh's vehicle, her husband continuously attempted to walk towards us in an aggressive manner. I repeatedly told the male to stay back and pushed him away from us numerous times.

While attempting to place her in Ofc. Thornbrugh's patrol vehicle the female was very combative and did not get into the vehicle. She kicked Ofc. Thornbrugh numerous times.

At this point the female was drive stunned by Ofc. Thornbrugh. The female fell out of the vehicle and onto the ground.

While attempting to put her in the vehicle again, the female was still combative. I used my taser to drive stun the female three times while she was refusing to enter the vehicle.

After several attempts to gain compliance with the taser Ofc. Thornbrugh used his OC spray and sprayed the female.

The female still fought and refused to sit in the vehicle.

My BWC was active for the encounter, but it should be noted that it fell off during the interaction. I uploaded my BWC footage to Evidence.com.

At this time, no further information.

At approximately 0109 hours I, Ofc. M. Beerbower responded to assist officers on-scene.

I attempted to assist Sasha Lenea Fadlon into the back of a patrol vehicle but she would not comply. I gave several loud verbal commands for Fadlon to get into the car. Fadlon ignored all commands and continued to scream and resist attempts to place her into the vehicle. At one point, Fadlon turned her head toward me, looked at my forearm, opened her mouth, and exposed her teeth as if she were going to bite me. Being in fear that I was going to be bitten by her, I grasped her by a portion of her hair to force her to turn away and shouted loudly for not to bite me.

Fadlon's level of resistance was such that she was removed from the vehicle and walked to another vehicle which did not have a plastic partition in it. I was then able to assist by grasping her from the opposite side of the vehicle while other officers pushed her in.
