Dear John-

The home you inquired about has already been reserved, but you might consider "Casa Louisa" (Click on the name to see pics). This classic conch house is half a block from Duval Street on Louisa Street. "Casa Louisa" has been lovingly restored. There are flat-screen TVs in every room, DVD player, and free wireless high-speed internet access throughout the house. French doors open off the living area to your own private patio complete with lounge furniture and a heat-optional plunge pool. There's also an outdoor dining table with chairs, and gas grill for open-air dining. You'll be in your own little world, with foliage and a six foot fence for privacy. The master bedroom has a king bed and an en-suite bathroom; there is even a separate sitting room and kitchenette. The second bedroom has a queen bed, and is off the living/dining area with private access to the second shared bath. The third bedroom is upstairs via a spiral staircase and has a king bed. You can check out the location by clicking the address: 517 Louisa Street, Key West FL, and you can see our reviews by clicking on this link: Guest Comments. Rental for your stay would be \$1600 + tax and cleaning. There is a \$20 per day fee for pool heat. High speed wireless internet is included.
