**Re: Pending Name Change**

Dear Mr. Bradshaw:

The City Commission of the City of Key West (City) during the March 15, 2011 Commission meeting approved the PBS&J task order for the construction monitoring at Smathers Beach.

I would like to inform the City effective April 1, 2011, PBS&J will officially become Atkins North America, Inc. as a result of an acquisition that took place in 2010. The Federal Tax ID number, banking information, insurance coverages and company management, however, will remain unchanged. This letter is to provide notice of the pending name change.

Please advise as to what steps will be necessary to make the change effective with the City as this will effect legal and financial matters pertaining to the existing Resolution 11-051 between the City and PBS&J. We recently submitted the updated W-9 form to the City.

We highly value our relationship with the City and will continue to provide the kind of service that the City expects and deserves. Please let me know if you have any questions or concerns. I can be reached at 305-514-3387.

Sincerely,

A handwritten signature in blue ink that reads 'Adam R. Gelber'.
