WASTE REDUCTION AND RECYCLING PLAN FOR THE 2013 Florida Keys Seafood Festival

Introduction

The Key West Seafood Festival Waste Reduction and Recycling Plan (Plan) is one component of the festival. The purpose of this plan is to improve special event waste reduction and recycling (recycling). The scope of the project includes conducting waste audits at the event, and developing a manual based on the results of the plan, audits and recycling activities taking place in 2013.

The Key West Seafood Festival continues to improve their recycling measures to reduce the volume of waste requiring disposal from the event. The Plan is intended to provide the City of Key West and event organizers with a strategy for implementing an expanded recycling program specific to the needs of the event. The Plan is based on quantitative and qualitative information gathered from discussions and email correspondence with event organizers, and attendance at the 2012 event.

Event

The Key West Seafood Festival is scheduled for January 19, 2013, 11:00am to 8:00pm, at Bayview Park, in Key West. The event is organized by the Florida Keys Commercial Fishermen's Association, and features fabulous food and drink vendors, activities, exhibits, art, live entertainment, dancing and more. This is a family fun and feasting event.

Material Generation and Management

Trash, recycling and composting stations will be set up all around the park for use by event attendees and vendors. Bags of trash and recycling inside the containers will be removed and replaced by event volunteers, as the fill up during the event.

Event organizers have indicated that there will be at least three 30-cubic-yard dumpsters, approximately 12 Port o Lets, and 40 recycling and garbage containers.

Composting

Composting efforts will be led by Trashed in the Keys, a local organization that promotes household, business and restaurant composting. Event organizers will once again try to coordinate with local organizations that feed the homeless, to give vendors the option of donating any leftover food.

Plates and Eating Utensils

Event organizers will be purchasing compostable plates and eating utensils for event attendees to use.

Attachment to 8th Annual Florida Keys Seafood Festival Application:
January 19, 2013 from 11am to 8 pm.

We are looking into a company that provides big slides, bungee swings, rock wall and bounce houses that would require more space than we have in Bayview park itself. For this reason we would like to expand our event into the ball field on Virginia Street for these fun things for the kids to do. Only with your approval will we move forward with this. Thank you for your time and consideration.

Dear Florida Commercial Fisherman's Association,

I would like to formally thank you for the wonderful opportunity that you have given me by providing me with one of your scholarships. It is one of the highest honors to have received and I am forever thankful. With the gift that you have given me, I will be pursuing a major in communications at Florida Gulf Coast University, as well as pursuing a minor in creative writing. I have dreamed about going to FGCU since I was younger, not only because a member of my family has graduated from this particular school, but because FGCU makes it one of their main goals to maintain the ecosystem in a healthy manner, as well as educate others on the importance of the sea life living in south Florida.

I cannot explain to you how happy my father was when he discovered that because of his profession and his relentless work as a fisherman, I have been provided with a scholarship. Being in the fishing industry is not exactly as fun or as easy as people contrive it to be. For my father, it has been years of hard, grueling work in the sun, lifting and hauling extremely heavy traps. It has been a long road for him to help save money for college, but with the kindness that you have extended to me, I know that for my father, it has all been worthwhile.

In just two days time, I will take my big step into the world of College Education and you have aided in this large step. My family and I thank you kindly.

Sincerely,
Noelle Gonzalez

Dear Members of the Florida Keys Commercial Fishermen's Association:

I want to thank you for the two scholarships given to Noelle Gonzalez and Zane Osborn by your organization. This was most generous and will assist each of these students in meeting their educational goals. Noelle will attend Florida Gulf Coast University and Zane will attend Tallahassee Community College. They both have immense potential.

We appreciate that your scholarship has been offered over many years. As you know, many families are experiencing many financial difficulties and college tuition is rising year by year. Your support offered to our students here at Key West High School to continue their education is very encouraging for not only the students and their families, but our entire faculty.

Thank you again for all of your hard work on behalf of our students. We deeply appreciate it.

Sincerely,

Alice Calleja

Dear Ms. Gale:

This is to thank your organization and recognize their support of our senior class of 2012. The two scholarships you awarded, went to two very deserving young men. Alexander Morato and Joey Gonzalez will both benefit from your donation of \$1000 each. I know the Association also supported students at Key West and Coral Shores High Schools, so your efforts are clearly far-reaching. Thank you again.

Sincerely,

Kathy Sympson
