

To: City of Key West planning staff and board members,

I, Alex Plotkin reside at 1131 Johnson Street, Key West 33040 and have no objection to the applicant's application for the package sale of beer and/or wine to the customers of The Local Butcher & Market, located at 1206 White Street. I live three blocks away from the butcher shop and they operate a great operation

Sincerely

*Alex Plotkin*
