**Subject: Sole Source Letter – Key West WWTP, FL**

Dear Mr. Castro,

Huber Technology, Inc. in Denver, NC is the sole source provider for the following items/materials:

*WAP2 Screening Wash Press*  
*WAP2 Spare Parts*  
*Huber Factory Certified Service*

The WAP is an OEM item from Huber Technology, Inc., and will be custom-designed to match the Key West WWTP, FL existing WAP2 wash press' design while mating with the existing Huber RakeMax bar screen. No other vendor or distributor manufactures or sells these items/materials.

Replacement parts manufactured by Huber SE are unique in design based on decades of application experience. Huber SE's design, manufacture and material selection are critical factors for the life expectancy of Huber replacement parts. Use of Huber replacement parts ensures the lowest machine life cycle costs for you, our customer.

Huber Technology, Inc., based in Denver, NC is a subsidiary of the original manufacturer, Huber SE and is the only vendor in the United States and Canada for machines and parts produced by Huber SE, HydroPress Huber AB, and Huber Picatech AG. Furthermore, Huber Technology Inc. is the only source in the United States and Canada for spare parts and Huber Factory Certified Service. No other company in the United States or Canada has Huber factory trained service specialists specifically trained to properly repair Huber equipment.

Please let our Regional Sales Director Steve Frank (704) 330-9378 or our Florida Sales Representative John Mushinsky (945)755-2092 if you need additional information.

Thank you,

Corey Donahue  
Product Manager- Screening Systems
