

## MEMORANDUM

---

Date: January 6, 2026

To: Honorable Mayor and Commissioners

Via: Brian L. Barroso  
City Manager

From: Marcus Davila  
Director of Community Services

Subject: **Authorize the purchase of an M2 106 Plus Conventional Chassis (Flatbed)**

---

### **Introduction**

Authorize the purchase of an M2 106 Plus Conventional Chassis from SBL Freightliner for \$152,530.00 via the Florida Sheriffs Association and Florida Association of Counties, FSA23-EQU21.0 Heavy Equipment without formal competitive procurement under Sec 2-797 (3) Purchases and acquisitions under contracts of federal government and the state or its political subdivisions.

### **Background**

The Community Services department currently does not have a working flatbed truck. This vehicle is used by Community Services to haul heavy materials, such as #57 rock, and that are used for right-of-way and shoulder maintenance. This flatbed will give us the ability to haul materials by the ton to the areas needed.

The terms and conditions of the original contract are extended and guaranteed to any and all units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida.

The vehicles are all listed in the Florida Sheriffs Association and Florida Association of Counties. There are options listed as add/delete in the bid that allow the end user to configure the equipment according to his/her requirements.

City staff has determined through informal solicitation that the contract price is fair and reasonable. The required equipment is not available locally.

### **Procurement**

Purchase of an M2 106 Plus Conventional Chassis (Flatbed Truck) was approved in the FY 26 budget and is funded under the Internal Improvements/Streets/Machinery and Equipment 001-1905-519.6400 for \$160,000.

### **Recommendation**

The City Manager recommends authorizing the purchase of an M2 106 Plus Conventional Chassis (Flatbed Truck) from SBL Freightliner, for a total of \$152,530.00.
