City of Key West  
Clerk of the Court  
Key West, FL 33040

I have become aware that Mr. Harry Bethel, former Key West City Commissioner, has submitted his application for the appointment to fill the open seat in District 5, Commissioner Mary Lou Hoover.

I, Dennis J. Wardlow, Mayor Emeritus of the City of Key West, Recommend Mr. Harry Bethel because we served together on the Commission for many years. He has a large degree of fiscal responsibility And he has always been a strong monitor of the budget.

Thank you for your consideration,
