

COMMENDATION

In grateful recognition of Tiffany Pellicier's outstanding dedication and service to the City of Key West as an original member of the Parks and Recreation Advisory Board since its inception in 2019. Throughout your more than six years of committed involvement—including five years as Chair—you have been a driving force behind meaningful improvements to Key West's public spaces.

Under your leadership, the board prioritized projects that have enhanced the quality of life for our residents and visitors alike. These initiatives included the turfing of multi-use fields, the design of shade structures to promote public health, upgrades to Bayview Park, and the reimagining of the HAWK missile site with an emphasis on community input and public art collaborations.

In July 2023, during the City's official observance of Recreation and Parks Month, you accepted recognition on behalf of the board, eloquently highlighting the vital role parks play in promoting healthy lifestyles, community cohesion, economic vitality, tourism, and environmental stewardship.

Your vision, leadership, and dedication have left a lasting impact on the City of Key West, and we extend our heartfelt appreciation for your exemplary service.

In recognition of your over 6 years of dedicated service to the Parks and Recreation Advisory Board.

I Danise Henriquez, Mayor of the city of Key West along with the entire city commission do hereby present this commendation to

Tiffany Pellicier
