

Staff Report for Item 15

To: Chairman Bryan Green and Historic Architectural Review
Commission Members

From: Kelly Perkins, MHP
HARC Assistant Planner

Meeting Date: November 16, 2016

Applicant: Michael Ingram

Application Number: H16-03-0083

Address: #925 Fleming Street

Description of Work:

Demolition of rear porch. Modification of shingle roof at rear portion of roof.

Site Facts:

The house at 925 Fleming Street is listed as a contributing resource in the survey, constructed c.1906 according to the survey. The application is for the demolition and reconstruction of a rear porch with a second-story addition. The existing rear porch with a balcony/roof deck is not historic, as it does not appear on the 1962 Sanborn map.

Ordinances Cited in Review:

Sec. 102-217 (2): Demolition of non-historic or non-contributing buildings.

Sec. 102-218 (b): Criteria for demolitions.

Staff Analysis

This Certificate of Appropriateness proposes the demolition of a rear covered porch with a roof deck. Staff believes the demolition of the rear porch, which is not historic, meets the following criteria:

- (1) The demolition will not diminish the overall historic character of a district or neighborhood;

- (2) Nor will it destroy the historic relationship between buildings or structures and open space.
- (3) This demolition will not affect the front building façade.
- (4) Staff does not believe elements that are proposed to be demolished will qualify as contributing as set forth in Sec. 1021-62(3).

Therefore, this request can be considered for demolition. As the covered porch is not historic, only one reading is required for demolition.
