Over the last 40 years I have been involved with many Key West organizations including being one of the founding members of the AIDS help fundraising committee. Over our years of involvement with that organization we hosted a number of auctions at our store and helped to raise a significant amount of money through our own donations of jewelry and sculpture.

Along with my partner Greg Scorzafave I was awarded the 1995 Key West Business Guild Citizen of the year. Our store "Goldsmith Jewelers" was voted one of the 5 most beautiful stores in the country as well.

Since closing my retail operation in Key West I have continued to work and currently show my jewelry at "The Gallery on Greene" and produce jewelry for an international list of clients.
