

903 Eaton St.

**proposed New One
and a half and two-
story woodframe
house**

November 27, 2018

**Written comments to
the historic**

**architectural review
commission from**

**910 James Street,
homesteaded**

property owners

**We feel the new plan
has a better appeal
to us.**

**We still feel that the
committee has a**

**better knowledge of
the guidelines and**

we agree that the house is too big. We concur with the Historical Architectural review Commission staff. The current design still fails.
