RE: 904 Olivia Street
Letter of Support for Variance

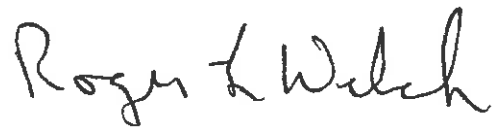

To Whom It May Concern:

We are the immediate neighbors to Jeffrey and James at 904 Olivia Street and wanted to share my support of their project with the City. I live at 902 Olivia Street and have met with Jeffrey and James to review their proposed renovation work and variance request. In observing the work they have completed to the property over the past year, it is clear they are creating a beautiful home that fits our neighborhood.

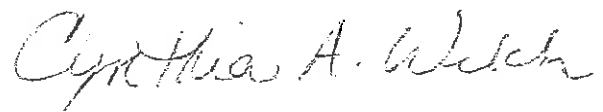

Please accept this letter as our support of their variance request to construct a front porch and expand their second floor bedroom. It will be a great compliment to the neighborhood.

Should you have any questions, please do not hesitate to contact us.

Subject: 904 Olivia variance and public hearing on June 15

Hi Vickie,

My wife Patty and i own the house at 846 Olivia. We have noticed the 904 pre- construction work and it is apparent they will beautify area, so we have no objection to the variance.
