EXECUTIVE SUMMARY

Date: October 23, 2013
To: Bob Vitas, City Manager
From: Karen Olson, Special Projects Designer
CC: David Fernandez, ACM
Mark Finigan, ACM
Doug Bradshaw, Senior Project Manager
Subject: **Approving a two year extension for the General Services Contract (ITB #10-015) to DN Higgins, Inc.**

Action Statement

This Resolution would approve a two (2) year extension for the General Services Contract to DN Higgins, Inc.

Background

The General Services Contract has been an ongoing contract, under various names, since 1992. The City maintains this Contract which is competitively bid for the purpose of general installation, repair and replacement of storm and sanitary sewer systems, installation of storm water gravity injection wells, paving, sidewalks and other miscellaneous municipal work. As the City establishes locations and scopes of work, where repairs are necessary, Work orders are issued

Resolutions 10-319 and 10-320, dated November 3, 2010, awarded DN Higgins, Inc. and Charley Toppino & Sons, Inc. three year General Services Contracts.

The improvement and maintenance of City infrastructure is critical to meeting the current and future needs of the citizens of Key West. The City's goal is to maintain the City's hard assets. (Strategic Plan "Infrastructure" goal 4)

Key to the Caribbean – Average yearly temperature 77° F.

Purpose and Justification

The General Services Contract (ITB #10-015) is set to expire on December 1, 2013. Within the contract documents is the option of a two year extension at the unit prices stated in the Bid plus annual CPI-U US increases.

Based on the most current CPI-U US chart there has been an increase of 3% from effective bid prices. Per the Contract Documents the bid prices were to remain in effect for a period of twelve months from bid opening date.

DN Higgins, Inc. has agreed to extend their General Services Contract for the additional two year period allowed under the contract. Charley Toppino & Sons, Inc. declined to extend their contract.

Over the past three years DN Higgins, Inc. has been issued over 95% of the task orders under the General Services Contract due to their favorable pricing. Engineering staff have solicited quotes from other contractors with prices coming in as much as 40% higher than the existing contract.

It is in the best interest of the City to extend DN Higgins, Inc. contract for the additional two year period based on original bid prices plus 3% CPI-U US. The new pricing must remain in effect for ordering up to twelve (12) months from contract extension. At which time the contractor may request an additional CPI-U US increase.

Options

Option #1 Approve a two (2) year extension for the General Services Contract (ITB #10-15) to DN Higgins, Inc.

Option #2 Do not approve a two (2) year extension for the General Services Contract (ITB #10-15) to DN Higgins, Inc. and solicit bids for a new General Services Contract.

Financial Issues

Extension of the General Services Contract (ITB #10-015) has no financial impact to the City until a Work Order is issued.

Recommendation

Approve a two (2) year extension for the General Services Contract (ITB #10-15) to DN Higgins, Inc.

KAREN;

MANAGEMENT AT CTS HAS ASKED THAT I INFORM THE CITY OF KEY WEST THAT WE ARE UNABLE TO SIGN THE EXTENSION AGREEMENT FOR THE GENERAL SERVICES CONTRACT. DUE TO PRICE INCREASES ON ALL COMMODITIES UTILIZED IN THE PRODUCTION OF OUR CONCRETE, THE COSTS OF ASPHALT, SIGNAGE, ECT. THE 3% INCREASE IN THE GS CONTRACT WOULD NOT EVEN COME CLOSE TO COVERING OUR DOUBLE DIGIT COST INCREASES.

THANK YOU VERY MUCH FOR THE OPPORTUNITY.

EXECUTIVE SUMMARY

TO: Jim Scholl, City Manager
FROM: Doug Bradshaw, Senior Project Manager
DATE: October 18, 2010
SUBJECT: Award of Bid ITB # 10-015: General Services Contract

ACTION STATEMENT:

Award of ITB # 10-015: General Services Contract to Douglas N. Higgins and authorize City Manager to enter into a contract.

BACKGROUND:

The General Services Contract has been an on going contract, under various names since 1992. The City of Key West maintains a General Services Contract which is competitively bid for the purpose of general installation, repair and replacement of storm and sanitary sewer systems, installation of storm water injection wells, paving, sidewalks and other miscellaneous municipal work for a contract time of three years with an option to extend for two years at the unit prices stated in the Bid plus annual CPI-U US increases. The City of Key West will establish the locations and scope of work, as repair work becomes necessary. Work Orders will be issued which will identify the scope for each specific project.

On October 6, 2010, the City received two (2) bids for ITB # 10-015: Charley Toppino and Sons and Douglas N. Higgins. Douglas N. Higgins bid was considered responsive to the requirements of the bid. Staff has had to get clarification from Charley Toppino and Sons on their bid form for Items 14e – no bid amount, 27f – no bid amount, 39d – no bid amount, 47a-h – lump sums were given when bid asked for linear feet. Staff will seek City Commission approval to waive these deficiencies in the bid and accept the bid. The ITB allows for the option to award to more then one bidder. As a Work Order is developed, unit prices from both bids will be reviewed and the Work Order will be issued to the contractor with the overall lowest cost (Award to additional contractor is covered in separate Resolution).

PURPOSE & JUSTIFICATION:

The General Services Contract allows for timely completion of projects, emergency repairs, and is typically more cost-effective to the City then having to bid out each

project.

OPTIONS:

There are two options (Award to additional contractor is covered in separate Resolution):

1. Award of ITB # 10-015: General Services Contract to Douglas N. Higgins.
2. Do not award ITB # 10-015: General Services Contract to Douglas N. Higgins.

ADVANTAGES/DISADVANTAGES

Option 1: Douglas N. Higgins has worked with the City on numerous projects for many years. They have been responsive under their contract.

Additional if the City chooses to award to both contractors (Award to additional contractor is covered in separate Resolution), the City will be able to compare cost for a Work Order and issue to the lowest bidder. Work Order may be issued to different Contractors depending on unit prices that were submitted for the work contemplated in the Work Order

Option 2: The City will only be able to issue Work Orders to one contractor. Total cost for that Work Order may be higher then expected based on the unit prices appropriate for that Work Order.

FINANCIAL IMPACT:

Award of ITB # 10-015: General Services Contract has no financial impact to the City until a Work Order is issued.

RECOMMENDATION:

City Staff recommends Option 1: Award of ITB # 10-015: General Services Contract to Douglas N. Higgins for the unit prices submitted in the bid and authorize City Manager to enter into a contract.

CONTRACT

This Contract, made and entered into this 1st day of Dec 2010, by and between the **CITY OF KEY WEST**, hereinafter called the "Owner", and **DOUGLAS N. HIGGINS** hereinafter called the "Contractor";

WITNESSETH:

The Contractor, in consideration of the sum to be paid him by the Owner and of the covenants and agreements herein contained, hereby agrees at his own proper cost and expense to do all the work and furnish all the materials, tools, labor, and all appliances, machinery, and appurtenances for each issued Work Order, to the extent of the BID made by the Contractor, dated this 29th day of September 2010, all in full compliance with the Contract Documents referred to herein:

BIDDING REQUIREMENTS, CONTRACT FORMS, CONDITIONS OF THE CONTRACT, TECHNICAL SPECIFICATIONS, AND DRAWINGS, are hereby referred to and by reference made a part of this Contract as fully and completely as if the same were fully set forth herein and are mutually cooperative therewith.

In consideration of the performance of the work as set forth in these Contract Documents and per each issued Work Order, the Owner agrees to pay to the Contractor the unit prices amount in the Bid as adjusted in accordance with the Contract Documents, or as otherwise herein provided, and to make such payments in the manner and at the times provided in the Contract Documents.

The Contractor agrees to complete the work within the time specified in the Work Order, and to accept as full payment hereunder the amounts as determined by the Contract Documents and based on the said Bid.

The Contractor agrees to remedy all defects appearing in the work or developing in the materials furnished and the workmanship performed under this Contract during the required two (2) year warranty period after the date of final acceptance of the work by the Owner, and further agrees to indemnify and hold harmless the Owner from any costs encountered in remedying such defects.

In the event that the Contractor shall fail to complete the work within the time limit or the

extended time limit agreed upon, as more particularly set forth in the Work Order, liquidated damages shall be paid at the rate of five hundred dollars (\$500.00) per calendar day. Sundays and legal holidays shall be included in determining days in default.

IN WITNESS WHEREOF, we, the parties hereto, each herewith subscribe the same, this 1st day of Dec 2010.

EXECUTIVE SUMMARY

TO: Jim Scholl, City Manager
FROM: Doug Bradshaw, Senior Project Manager
DATE: October 18, 2010
SUBJECT: Award of Bid ITB # 10-015: General Services Contract

ACTION STATEMENT:

Award of ITB # 10-015: General Services Contract to Charley Toppino and Sons, waive the deficiencies in the Toppino bid form, and authorize City Manager to enter into a contract.

BACKGROUND:

The General Services Contract has been an on going contract, under various names since 1992. The City of Key West maintains a General Services Contract which is competitively bid for the purpose of general installation, repair and replacement of storm and sanitary sewer systems, installation of storm water injection wells, paving, sidewalks and other miscellaneous municipal work for a contract time of three years with an option to extend for two years at the unit prices stated in the Bid plus annual CPI-U US increases. The City of Key West will establish the locations and scope of work, as repair work becomes necessary. Work Orders will be issued which will identify the scope for each specific project.

On October 6, 2010, the City received two (2) bids for ITB # 10-015: Charley Toppino and Sons and Douglas N. Higgins. Douglas N. Higgins bid was considered responsive to the requirements of the bid. Staff has had to get clarification from Charley Toppino and Sons on their bid form for Items 14e – no bid amount, 27f – no bid amount , 39d – no bid amount, 47a-h – lump sums were given when bid asked for linear feet. Staff will seek City Commission approval to waive these deficiencies in the bid and accept the bid. The ITB allows for the option to award to more then one bidder. As a Work Order is developed, unit prices from both bids will be reviewed and the Work Order will be issued to the contractor with the overall lowest cost (Award to additional contractor is covered in separate Resolution).

PURPOSE & JUSTIFICATION:

The General Services Contract allows for timely completion of projects, emergency

repairs, and is typically more cost-effective to the City than having to bid out each project.

OPTIONS:

There are two options (Award to additional contractor is covered in separate Resolution):

1. Award of ITB # 10-015: General Services Contract to Charley Toppino and Sons and waive the bid form deficiencies in the Toppino bid.
2. Do not award ITB # 10-015: General Services Contract to Charley Toppino and Sons.

ADVANTAGES/DISADVANTAGES

Option 1: Charley Toppino and Sons has worked with the City under the General Services contract for many years. They have been responsive under the contract when tasked with a work order.

Additional if the City chooses to award to both contractors (Award to additional contractor is covered in separate Resolution), the City will be able to compare cost for a Work Order and issue to the lowest bidder. Work Order may be issued to different Contractors depending on unit prices that were submitted for the work contemplated in the Work Order

Option 2: The City will only be able to issue Work Orders to one contractor. Total cost for that Work Order may be higher than expected based on the unit prices appropriate for that Work Order.

FINANCIAL IMPACT:

Award of ITB # 10-015: General Services Contract has no financial impact to the City until a Work Order is issued.

RECOMMENDATION:

City Staff recommends Option 1: Award of ITB # 10-015: General Services Contract to Charley Toppino and Sons for the unit prices submitted in the bid, waive the deficiencies in the Toppino bid form, and authorize City Manager to enter into a contract.
