Ladies and Gentlemen:

I am resending my opposition to the Phase 2 Roadway Project aka the Southernmost Point Plaza as a resident of the 400 block of South St. I'm very much aware of the congestion issues in this area and I think it will only make it more difficult to get in and out of our homes while decreasing the quality of life in this area. Currently the lines forming to take pictures of the buoy block entry into our recently purchased home at 400 South Street from the Seward Johnson estate. (Also known as the Southernmost Southernmost House.)

Thank you very much for your consideration.
