Victim Society	Offense RESIST ARREST / ESCAPE	Date / Time Reported Sun 10/29/2023 02:55

On October 29, 2023, I was assigned to the intersection of Charles and Duval Street. At approximately 0215 hours, I responded to Ricks bar located at 215 Duval Street, in reference to a trespasser. I arrived and Ricks security was escorting a white male, later identified as Devon Wade, out of the property. Wade stopped and tensed his body to prevent Rick security from removing him from the property. I identified myself as Key West Police and was escorting him from the property. As I approached the front of the property a second male who identified himself as Roderick Hook, grabbed onto my arm and attempted to free Wade from my grip. I told hook to back away and not to interfere. Hook grabbed my arm a second time and attempted to free Wade from my grip a second time. I pushed Hook away and FWC Officers grabbed onto him to prevent him from further interference.

Ofc. Clark and Sgt. Malsheimer took control of Wade and I displayed my taser to persuade Hook from any further interference and to take him into custody. Hook twisted his body and pulled away. I deployed my taser and the first cartridge was ineffective. I deployed my second cartridge and neuromuscular incapacitation was not achieved. Hook pulled away from Officers, so I placed my taser on Hooks lower leg complete the taser connection. Neuromuscular incapacitation was achieved, and Hook fell to the ground. Hook was handcuffed and walked over to Old city hall for processing without further incident. KWFD Rescue was on scene at Old City Hall and evaluated Hook. During the booking process Hook, began to seize. KWFD rescue was recalled to the scene to transport Hook to LKMC for evaluation and treatment. Due to Hooks Medical condition he was released with a notice to appear in front of Judge Wilson on November 11, 2023 at 9:00 AM.
