Budgetary Pricing:

ITEM	EQUIPMENT	PRICE
1	WAP Screening Wash and Press	Included
2	Manufacturer's services	Included
1-2	TOTAL	68,750.00

Technical Clarifications:

1. Equipment specification is available upon request
2. If there are site-specific hydraulic constrains that must be applied, please consult the manufacturer's representative to ensure compatibility with the proposed system
3. Electrical disconnects required per local NEC code are not included in this proposal
4. Huber Technology warrants all components of the system against faulty workmanship and materials for a period of 12 months from date of start-up or 18 months after shipment whichever occurs first
5. Budget estimate is based on Huber Technology's standard Terms & Conditions and is quoted in US\$ unless otherwise stated
6. Huber has estimated the Control Panel cost based information provided with the RFQ. If control panel information is not provided with RFQ Huber will use a cost and scope of supply based on our standard panel. Huber reserves the right to change the price and scope at time of bid based on the final plans and specifications.
