RE: Minor Subdivision Plat – 908 Terry Lane, Key West, Florida 33040

Dear Mr. Bond:

Please accept the attached Plat prepared pursuant to City Land Development Regulations sections 118-3, 118-522 & 53 and 118-136. The Plat was prepared to reflect the proposed Subdivision of Real Estate Parcel No. 00014880-000000 and 00014880-000100 which historically and currently contains two residential living units on a single platted parcel. The subdivision is to allow each of the two single family homes constructed on that parcel to be independently owned, mortgaged or conveyed.

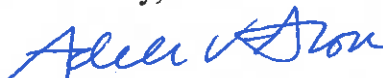

The property owners applied for and received variances for two minor nonconformities which result from the creation of two independent lots. A copy of the variance approval is attached. The Department of Economic Opportunity filed no objection to this Planning Board development order.

In a meeting held at the Key West Planning Office on November 20, 2014, each of the Plat elements was reviewed and a determination made as to those which were required for this minor subdivision.

Please advise whether the proposed Plat is acceptable as prepared, and whether additional copies of the Plat will be required to process the subdivision and plat to approval by the City Commissioner.

Thank you for your assistance in this matter.

Sincerely,

Adele V. Stones

**PLANNING BOARD
RESOLUTION NO. 2014-71**

A RESOLUTION OF THE CITY OF KEY WEST PLANNING BOARD GRANTING WITH CONDITIONS VARIANCES TO MINIMUM LOT SIZE, MINIMUM LOT WIDTH, OPEN SPACE, SIDE YARD SETBACKS AND SUBDIVISION OF LAND ON PROPERTY LOCATED AT 908 TERRY LANE, UNITS 1 & 2 (RE # 00014880-000000, AK # 1015229; RE # 00014880-000100, AK # 9077554) IN THE HISTORIC MEDIUM DENSITY RESIDENTIAL (HMDR) ZONING DISTRICT PURSUANT TO SECTIONS 90-395, 108-346, 122-600(5), 122-600(5)A., 122-600(6)B. AND 122-1407 OF THE LAND DEVELOPMENT REGULATIONS OF THE CODE OF ORDINANCES OF THE CITY OF KEY WEST, FLORIDA.

WHEREAS, the applicant is seeking variances to minimum lot requirements and subdivision of land in order to allow separate fee simple ownership of each unit with land at property located at 908 Terry Lane, Units 1 & 2 (RE # 00014880-000000, AK # 1015229; RE # 00014880-000100, AK # 9077554); and

WHEREAS, 908-1 Terry Lane is proposed Parcel A and 908-2 Terry Lane is proposed Parcel B; and

WHEREAS, Section 122-600 of the Land Development Regulations (the "LDRs") of the Code of Ordinances (the "Code") of the City of Key West, Florida (the "City") provides that the minimum lot size is 4,000 square feet; minimum lot width is 40 feet; minimum side setback is 5 feet; and minimum open space is 35%; and

WHEREAS, Section 122-1407 provides that "no tract, parcel, or lot shall be divided or split into two or more parcels, lots, or other subunits of land without first complying with the city's

 Vice-Chairman

 Planning Director

subdivision regulations”; and

WHEREAS, Parcel A proposed lot size is 2,046.54 square feet; proposed lot width is 29.66 feet; proposed right side setback is 0 feet; and proposed open space is 9.5% (196.25 sq ft); and

WHEREAS, Parcel B proposed lot size is 2,254.23 square feet; proposed lot width is 32.67 feet; and proposed left side setback is 0 feet; and

WHEREAS, this matter came before the Planning Board at a duly noticed public hearing on November 20, 2014; and

WHEREAS, the Planning Board finds that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other land, structures or buildings in the same district; and

WHEREAS, the Planning Board finds that the special conditions do not result from the action or negligence of the applicant; and

WHEREAS, the Planning Board finds that granting the variances requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings or structures in the same zoning district; and

WHEREAS, the Planning Board finds that literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant; and

WHEREAS, the Planning Board finds that the variances granted are the minimum variances that will make possible the reasonable use of the land, building or structure; and

WHEREAS, the Planning Board finds that the granting of the variances will be in harmony with the general intent and purpose of the land development regulations and that such variances will not be injurious to the area involved or otherwise detrimental to the public interest or welfare; and

WHEREAS, the Planning Board finds that no nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures or buildings in other districts are grounds for the issuance of the requested variance; and

WHEREAS, the Planning Board finds that the applicant has demonstrated a “good neighbor policy” by contacting or attempting to contact all noticed property owners who have objected to the variance application, and by addressing the objections expressed by these neighbors.

NOW, THEREFORE, BE IT RESOLVED by the Planning Board of the City of Key West, Florida:

Section 1. That the above recitals are incorporated by reference as if fully set forth herein.
