Monroe County BOCC
Attn: Matthew Howard
1100 Simonton Street 2-216
Key West, FL 33040

Dear Mr. Howard:

Regarding your request for approval of the Final Landscape Plan dated September 1, 2022 and updated October 31, 2022, for property located at 5501 College Road (MCSO Generator Building). Review of the updated plans indicates that these plans are consistent with the approved Tree Commission conceptual landscape plan approval of September 13, 2022. Therefore, the Final Landscape Plan dated September 1, 2022 is approved.

The permits to actually transplant the palm will not be issued until demolition and/or building permits have been submitted to the building department. At the same time, an application with an irrigation plan and a transplantation plan must be submitted to the Urban Forestry Manager for processing.

If you have any questions please call the office at (305) 809-3768.

Sincerely,

Karen DeMaria
Urban Forestry Program Manager
