In consideration for the covenants and conditions hereinafter set forth, CRA and Owner agree as follows:

1. Purpose

In return for payments and other valuable consideration and covenants as set out below, CRA desires to provide dockage space for the temporary use of Owner, who desires to purchase the right for temporary use of such space through regular payments and through faithful performance of the covenants and stipulations herein. The permitted use of said vessel is limited to commercial operations, specifically described as Schooner Sailing Tours. Owner agrees that the vessel shall not be used or rented for purposes of domicile or overnight residence while moored in the dockage space. The City of Key West Director of Port and Marine Services or their designee must approve any change in use.

Owner agrees to be responsible to CRA and pay for any and all loss or damages to the docks, floats or other facilities caused by Owners vessel or Owner, his agents, servants, and/or employees whether caused by negligence or not, and further to hold CRA harmless for any of the foregoing. Further, Owner agrees to be responsible for damages, which Owner or Owners vessel may cause to other vessels in the Marina.

2. Dockage Space

The certain dockage space to be used by Owner is identified as berth 1 on Pier F in the Key West Bight Marina of the CRA of the City of Key West, Florida. Said berthing space is for the exclusive purpose of docking the above-named vessel only, or another vessel of similar size and use as a replacement for the vessel, subject to the approval of the Director of Port and Marine Services of the City of Key West. CRA reserves the right to relocate Owner's vessel to an alternate location within the Marina at its sole discretion; draft, beam (width), and overall length will be the determining factors for slip assignments of commercial vessels.

3. Term

The term of this agreement shall commence on the 1st day of February, 2024 and thereafter on a month-to-month basis until terminated as provided for by the terms of this Agreement. The Agreement is effective when signed by both parties.

This agreement shall constitute a month-to-month tenancy, with all rights and responsibilities as created by Chapter 83 of the Florida Statutes. Owner shall have the first right of renewal for the leased space. Notice of offer of renewal shall be sent to Owner by CRA in the form of an invoice prior to the expiration of the term of this agreement. Acceptance shall be made by payment of the invoice in the amount indicated. The right of Owner to occupy the leased slip shall continue on a month-to-month basis unless and until terminated as described in paragraph 25 of this agreement. Failure to give notice as provided in paragraph 25(a) will result in automatic renewal of lease term and obligations thereunder.

4. Third Party Use

CRA shall have the right to grant permission to a third party to use Owner's berth whenever Owner's vessel is absent for more than 24 hours, and to receive revenue therefrom without accounting to Owner. Owners of vessels leaving the marina for more than 24 hours duration shall notify the CRA's dockmaster at least 24 hours in advance of departure.

CRA may so terminate by mailing to Owner a notice of termination in the manner provided by Paragraph 9 above at least three (3) days prior to the effective date of termination. CRA may retain any prepaid rent as liquidated damages and such damages shall not be considered a penalty. If Owner fails to vacate the dockage space within seven (7) days after delivery of said notice as provided in Paragraph 9, CRA shall have the right at its option:

In the event of dissolution of a partnership or corporation, or the withdrawal of a part-owner, all parties shall nonetheless be bound by the terms of this Agreement and be obligated for the payment of all sums due, and for the strict performance of all its covenants and conditions.

In the event of an emergency in the Owners absence, the CRA is authorized to take whatever steps are necessary to protect the facilities and waters of the Marina. Any towing charges or repair charges accrued in handling such an emergency shall be at the expense of the Owner and shall constitute a lien upon the subject vessel until paid in full.

19. Peaceable Use

Owner agrees to use peaceably the dockage space assigned hereby, and agrees not to do or allow, either individually or with others, any act which has the effect, in the sole judgment of CRA and its agents and employees, of disturbing the peace or of disturbing, inconveniencing or subjecting to physical jeopardy the marina premises, other persons, or other vessels. Owner further agrees to do no act which impedes or disrupts the orderly operation of the marina or any portion of it, including but not limited to marina management, operation and revenues.

CRA reserves the right to board and inspect Owner's vessel to determine compliance.

21. Owners Inspection

Owner acknowledges having inspected the dockage space assigned from time to time by this Agreement, and hereby accepts it in "as is" condition for berthing the above-described vessel. Owner agrees that CRA makes no warranty, guarantee, or assertion of any kind whatsoever concerning the condition of the docks, pilings, piers, walks, gangways, ramps or berthing gear, and will not be responsible for injuries of any nature or cause including CRA's negligence, to persons or property on CRAs property or marina premises.
