Pat-

We are planning to replace the sod on the field at Poinciana Elementary School. Our original project estimate was for \$100,000.00 but the quotes came in much higher, the lowest being \$239,900.00 from Burke Construction Group, Inc. We would like to request the MCSD to contribute \$100,000.00 towards the project.

I have attached the 3 quotes, as well as the scope of work.

If you could please send me an email to confirm or deny MCSD reimbursing the City \$100,000.00 for the project.

Thank you
