## Training & Accomplishments

- The **Key West Fire Department Dive Team** conducted dive training exercises at the College of the Florida Keys lagoon.
- Our **Pediatric Champion** attended the State Pediatric Symposium, receiving advanced training to enhance pediatric emergency care and share new practices with the department.
- The **EMS Division** hosted a **Leadership and Ethics Training** course in partnership with Braxton College. This course was attended by all on-duty crews and administrative staff.
- **Class 43 Ambassadors** visited Station 1 for an orientation, learning about the operations and responsibilities of each division within the department.
- One department member successfully completed the **Provisional Paramedic Program**, passing the final assessment under the supervision of the Medical Director.
- **Division Chief Gregory Barroso** conducted a **Hurricane Preparedness Presentation** for District 6, focusing on emergency planning and public education.
- A new **2025 Ford F550 Pierce Mini Pumper**, equipped with a 1500 GPM pump, was delivered and placed in service at **the Fire Station Sunset Key**.
