

I have no objection to the subject variance request.

Roy Hogberg
11 Lowe's Lane
Key West

Hello,

I live in the neighborhood of this property and have no objection to the proposed pool variance. Feel free to email me directly with any questions.

Signed: Kirk Biggins

Address: 526 Grinnell Street

Hi Kevin,

We just received in the mail a forwarded postcard from the city regarding the board meeting tomorrow that will include your variance request on the agenda. I am sorry that I lost sight of it and never sent anything to the city to let them know that we support your request for the variance.

Perhaps this e-mail will be helpful. If there is still anything that we can do please let us know. Hope all goes well tomorrow.

Best wishes,

John
