Subject: RE: Planning Board Meeting 12/17/2020 item #3

The list of people on the call were:

Todd Santoro
Mark Furlane
Marci Rose
Nancy Paulic
Birch Ohlinger
David Amendt

I went over the various things we are requesting and tried to explain the rationale behind each request. The neighbors took turns expressing their concerns and frustrations with everything happening at the property. I went over how we are going to put the fence in around the trash area and add back the 3 Spanish stoppers to the trash area. The neighbors didn't seem to be satisfied with that overall. Everyone was respectful and it was a call where everyone seemed to respect what each other was saying. Ultimately though they don't agree with what we are doing and I'm not sure there is a way to change their minds at this point. But, I will speak with the Applicant about the call and see if there is anything else we can do.

Thank you,

Richard J. McChesney, Esq.
