PUBLIC COMMENTS:
Amy Lynch - 822 Windsor Lane

A motion was made by Vice Chair McChesne, seconded by Ms. Lori Thompson, that the Action Item be Approved with Mr. Michael Miller requesting discussion. Following a discussion the motion was withdrawn.

A motion was made by Mr. Glorie, seconded by Vice Chair McChesney, that the Action Item be Denied based on the Land Development Regulations, Articles V, U.S Secretary of the Interior's Standards for Rehabilitation, and Article VI- Design Guidelines in Key West Historic District, particularly the following standards and guidelines; Secretary of the Interior's Standards for Rehabilitation, specifically Standards 6, 9, and 10 on pages 16-23 of the Historic Architectural Guidelines; Standard 6 - Deteriorated historic features shall be repaired rather than be replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature shall match the old in design, color, texture and other visual qualities and, where possible,

materials. Replacement of missing features shall be substantiated by documentary, physical, or pictorial evidence.; Standard 9 - New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.; Standard 10 - New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.; Guidelines for dormers, specifically guideline 3 of page 27: 3. Dormer size must be in proportion to the building and its roof. Oversized or undersized dormers are inappropriate.; Guidelines for Windows of the Historic Architectural Guidelines (pages 29-30), specifically guideline 3; Replacement windows on contributing structures should be made to fit the original window opening without the use of blocking or infill. Such replacement windows, sills, muntins, sashes, surrounds and other window features should be of similar and compatible configuration, material, size, design, and placement as those of original windows.; Guidelines for Additions, Alterations and New Construction of the Historic Architectural Guidelines (pages 36-38a) specifically guidelines 3 and 4 for Additions and Alterations of pages 36- 37 and guidelines 4 and 5 of New Construction on page 38a; additions/ Alterations: 3. Addition design should be compatible with the characteristics of the original structure, neighboring buildings and streetscapes.

4. Additions should be constructed with a scale, height and mass that is appropriate to the original building and its neighbors.
New Construction: 4. Proportion, scale, and mass – massing, scale, and proportion shall be similar to that of existing historical buildings in the historical zone. No new construction shall be enlarged so that its proportions are out of scale with its surroundings. No new construction shall be more than two and a half stories. No structure shall outsize the majority of structures in the streetscape or historic zone.; and 5. Compatibility- Design must be compatible with Key West architectural characteristics in the historical zones. All new construction must be in keeping with the historic character in terms of size, scale, design, materials, color, and texture. The motion carried by the following vote:

Yes: 7 - Mr. Glorie, Ms. Hinkle, Mr. Logan, Mr. Miller, Ms. Thompson, Vice Chair McChesney, and Chairman Green
