Re: Conditional Use - Community Centers, Clubs and Lodges
 1100 Truman Avenue, Key West, Florida 33040

Dear Ms. Halloran,

Please allow this letter and supporting documentation to serve as Queer Keys, Inc.'s application for Conditional Use for Community Centers, Clubs and Lodges located at 1100 Truman Avenue, Key West, Florida 33040 located in the Historic Neighborhood Commercial (HNC-1) Zoning District. The Conditional Use request applies to Code Sec. 122-808(2) and will allow Queer Keys to use 1100 Truman Avenue as an LGBTQIA+ community center, offering an LGBTQIA+ library, support groups, social gatherings, counseling opportunities, and other similar offerings.

Since its founding in August 2021, Queer Keys has had the vision to create an LGBTQIA+ community center to provide resources and programs for the local and visiting LGBTQIA+ population. Queer Keys has offered a weekly youth program for LGBTQIA+ 12-18 year olds since September 2021 and a biweekly Gender-Expansive Meetup for individuals 18 and over since August 2022 using space donated at first by the United Methodist Church at 600 Eaton Street and subsequently by St. Paul's Episcopal Church at 401 Duval Street. The Queer Keys board of directors and program participants look forward to developing new programs and offering expanded resources to the LGBTQIA+ community of Key West and the Florida Keys.

Conditional Use Criteria Section 122-61 and 122-62:

A. Findings

The Planning Board may find that the application meets the code purpose of ensuring that "a conditional use shall only be permitted on specific sites where the proposed use may be adequately accommodated without generating adverse impacts on properties and land uses within the immediate vicinity."

B. Characteristics of use described

1. Scale and intensity of the proposed conditional use as measured by the following:

A. Floor area ratio: No change

B. Traffic generation: Since September 2022, the Queer Keys Youth Program has had 299 visits consisting of 27 individuals. We currently average 5-8 individuals per weekly youth group. Our biweekly GEM meetings average 2-4 individuals per meeting. Given these current numbers, and that most of our clientele traverse by foot, we do not expect to create significant foot or vehicular traffic.

Love is love. Community is everything.

- C. Square feet of enclosed building for each specific use:** 1100 Truman Avenue is an 619 sq.ft. space. The front 493 sq.ft. serves as a public facing open space, and the back 126 sq.ft. serves as a private space accessible through a closing door. The 493 sq.ft. space in front will serve as programming space during programming hours and a welcome center during non-programming hours where visitors can utilize the library and other resources. The back, private 126 sq.ft. space will serve as the organization's office and a possible counseling space.
- D. Proposed employment:** Queer Keys currently does not have any paid staff. We hope to hire a staff member in the coming year, pending the necessary funding. Currently, the space is operated by board members and trained volunteers.
- E. Proposed number and type of service vehicles:** There will be no service vehicles.
- F. Off-street parking needs:** Additional parking not required.

2. On or off-site improvement needs generated by the proposed conditional use and not identified on the list in subsection (b)(1) of this section including the following:

- A. Utilities:** The property has adequate utilities to support the proposed use.
- B. Public facilities, especially any improvements required to ensure compliance with concurrency management as provided in chapter 94:** Not applicable
- C. Roadway or signalization improvements, or other similar improvements:** Not applicable.
- D. Accessory structures or facilities:** Not applicable.
- E. Other unique facilities/structures proposed as part of improvements:** None.

3. On-site amenities proposed to enhance site and planned improvements. Amenities include mitigative techniques such as:

- A. Open space:** None.
- B. Setbacks from adjacent properties:** None.
- C. Screening and buffers:** None.
- D. Landscaped berms proposed to mitigate against adverse impacts to adjacent sites:** None.
- E. Mitigative techniques for abating smoke, odor, noise, and other noxious impacts:** The proposed uses do not seem to create any issues that would require mitigation. Queer Keys is willing to consider mitigative techniques should they be needed.

C. Criteria for conditional use review and approval

- 1. Land use compatibility:** The conditional use as an LGBTQIA+ community center is compatible with the surrounding area in that the neighborhood is a vibrant civic, commercial, and residential neighborhood with various businesses and organizations. Project Lighthouse, the Street Outreach Program of the Florida Keys Children's Shelter is our community center's immediate neighbor. Wesley House Family Services, Unity of the Keys, and the City of Key West all have locations within the 2 block radius. Other commercial neighbors include Jose's Nicaraguan restaurant, Cayo's Kombucha, Key West Framing & Art Supplies, The Seam Shoppe, Bare Assets, and Cupcake Sushi.
- 2. Sufficient site size, adequate site specifications, and infrastructure to accommodate the proposed use:** The size and shape of the site are adequate to

accommodate the proposed scale and intensity of the conditional use requested. Our current programs average a maximum of 12 attendees per program session. Our projected foot traffic volume will roughly be 5-10 people per day during non-programming hours.

- 3. Proper use of mitigative techniques:** Not applicable. It is not proposed to impact the existing commerce. Waste Management services are utilized. No adverse actions will impact the general public health, safety, and welfare.
- 4. Hazardous waste:** Not applicable. No materials that contain hazardous waste will be used in connection with the proposed use.
- 5. Compliance with applicable laws and ordinances:** The applicant is in compliance with all applicable laws and regulations and will comply with all applicable laws and regulations as a condition of approval.
- 6. Additional criteria applicable to specific land uses**
 - A. Land uses within a conservation area:** Not applicable. This site is not located within a conservation area.
 - B. Residential development:** Not applicable. This applicant does not contemplate residential development.
 - C. Commercial or mixed-use development:** Not applicable. This applicant does not contemplate commercial or mixed-use development.
 - D. Development within or adjacent to historic district:** This conditional use application is within the historic district. No development beyond the confines of the current space is proposed or contemplated by the applicant.
 - E. Public facilities or institutional development:** Not applicable. Public facilities or institutional development are not being proposed as part of this application.
 - F. Commercial structures, uses and related activities within tidal waters:** Not applicable. The site is not located in tidal waters.
 - G. Adult entertainment establishments:** Not applicable.
