Review of Parks and Field Spaces

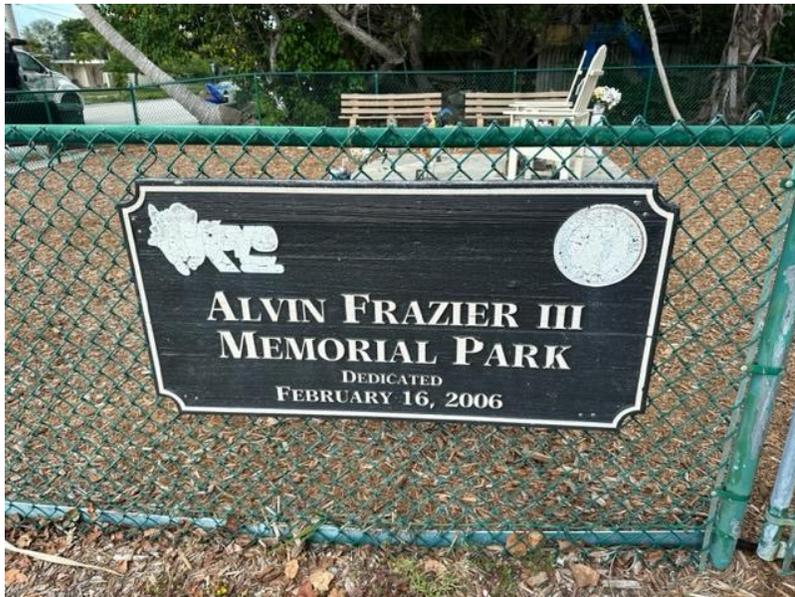

Parks and Recreation Advisory Board Meeting

June 22, 2023

Harry Russell

Alvin Frazier III Memorial Park

- Looked really great.
- Wondering about the older faded Holiday Wreathes

Gerald Adams Elementary School Field

- Grass was in poor shape. Dead areas and sand spots. Lots of weeds.
- Baseball Diamond needs cleaning up on edge of infield.
- Broken Sprinkler System.
- Potential Partnership with MCSD to add turf.
- Good News, field usage after 6:00 PM.

Basketball Courts

Playground

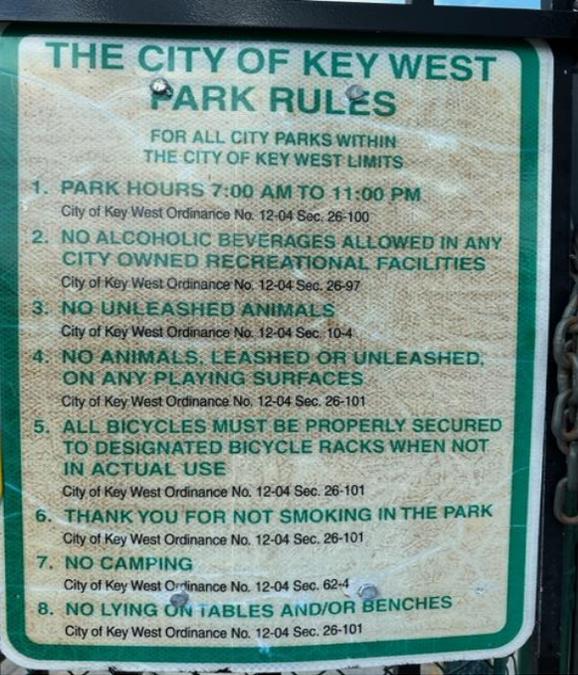

Pre-K

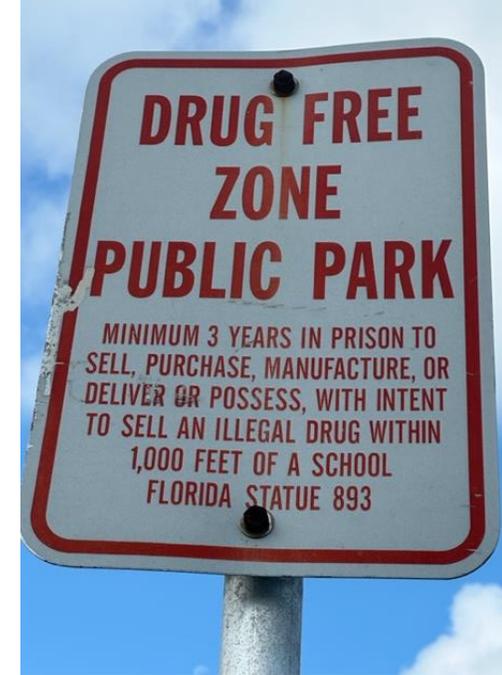

Cozumel Park

- Overall looked great.
- Restrooms Clean
- 3 parents on site, positive comments about the park.
- Basketball court will need resurfacing in the near future.

Cozumel Park (Continued)

Bernstein Park

- Grass is in bad shape. Dead in many spots with just sand.
- Overall, a great place with ballfield, kids playground, walking trail and clubhouse to accommodate meetings and parties.
