

COMMENDATION

It is with great pride that the City of Key West shall honor Belle Jampol for the award she received from Key West High School for Excellence in the Visual, Performing, and Vocational Arts. Belle made her performing debut at the tender age of five and she continues to delight and dazzle local audiences with her singing, dancing and acting. At rehearsals, she is always prompt, well prepared and a leader among her peers. Influenced by her musically talented parents, Belle has performed in over 20 Keys Kids Productions and last season her performance as Lucy in *Charlie Brown* captivated the audience with an emotional and comical performance of soaring caliber rarely seen at the high school level. Making audiences happy through performing brings Belle great joy. She sings in the KWHS choir, plays the piano and clarinet and takes dance and voice lessons. Amazingly talented musically, this young lady also shines academically with a 4.4 weighted GPA in her challenging academic schedule. Driven by her passion for the stage, Belle's future plans are to attend college to study musical theater and performing arts. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
Commendation to:
